Criteria

A. Methodology (40 Points)

Applicants must train nurses at the graduate level in nurse anesthesia, nurse midwifery, nurse practitioners, nursing healthcare administration, or undergraduate level at the BSN degree level and should provide this training in an interdisciplinary manner. The applicant's curriculum should be available via a distance learning model and emphasize and integrate EBP, transcultural nursing, and include a rural health focus. Applicants must define how they will locate and recruit American Indian and Alaska Native (AI/AN) students and provide support services to AI/AN students who are recruited to facilitate their success in the nursing program and to track their progress. Applicants must define how they will assist the graduate nurse with job placement and track their payback status to ensure that the obligees comply with the terms of their service obligation. Applicants should have a mechanism in place to provide their students with clinical rotations in AI/AN health programs, have a bridge program agreement between Tribal colleges or universities so as to accommodate LPN to ADN/BSN or BSN to MSN/DNP and have a faculty

exchange program with a Tribal college or university and a university school of nursing.

B. Capacity (20 Points)

Applicants must provide verification of accreditation and show that they are capable of conducting the project from a technical and business standpoint by providing the qualifications and credentials of key personnel and a sound fiscal plan using the grant funds. Applicants for the Graduate or Bachelor's level grants must submit verifying documentation of National League of Nursing Accreditation Commission or American Association of Colleges of Nursing Commission on Collegiate Nursing Education accreditation. All programs must submit verifying documentation of State approval.

C. Need (15 Points)

Applicants must justify the need for their project and provide a plan for the methodology they will use for recruiting AI/AN students nationwide as well as how they will actively assist nursing graduates with job placement.

Applicants must recruit and train AI/AN individuals to be nurses at the graduate and undergraduate level and provide scholarships to those AI/AN individuals enrolled in the school of nursing to pay tuition, books, fees, and stipends for living expenses; provide a program that encourages AI/AN nurses at the graduate and undergraduate level to provide or continue to provide, health care services in AI/AN health care programs; and provide a program that increases the skills of, and provides continuing education, to AI/AN nurses at the graduate and undergraduate level.

D. Evaluation (15 Points)

Applicants must present a plan for evaluating their success in carrying out the project and on an annual basis conduct a quantitative and qualitative evaluation of their year's activities, identifying what areas of the project need to be improved and how they will make those improvements. Applicants must identify how they will meet on an annual basis with the other project directors and staff under this grant program to share successes and challenges and to receive Federal grant training.

E. Prior Experience (10 Points)

The UND must identify their experience with other similar projects, including the results of those projects and provide evidence of their past or potential cooperation and experience with AI/AN communities and Tribes

and how UND Works with the Center for Gifted and Talented Indian Students established under section 5324(a) of the Indian Education Act of 1988.
