Criteria

A. Methodology (40 Points)

Applicants must train nurses at the graduate level in nurse anesthesia, nurse midwifery, nurse practitioners, nursing healthcare administration, or undergraduate level at the BSN degree level and should provide this training in an interdisciplinary manner. The applicant's curriculum should be available via a distance learning model and emphasize and integrate EBP, transcultural nursing, and include a rural health focus. Applicants must define how they will locate and recruit American Indian and Alaska Native (AI/AN) students and provide support services to AI/AN students who are recruited to facilitate their success in the nursing program and to track their progress. Applicants must define how they will assist the graduate nurse with job placement and track their payback status to ensure that the obligees comply with the terms of their service obligation. Applicants should have a mechanism in place to provide their students with clinical rotations in AI/AN health programs, have a bridge program agreement between Tribal colleges or universities so as to accommodate LPN to ADN/BSN or BSN to MSN/DNP and have a faculty

exchange program with a Tribal college or university and a university school of nursing.

B. Capacity (20 Points)

Applicants must provide verification of accreditation and show that they are capable of conducting the project from a technical and business standpoint by providing the qualifications and credentials of key personnel and a sound fiscal plan using the grant funds. Applicants for the Graduate or Bachelor's level grants must submit verifying documentation of National League of Nursing Accreditation Commission or American Association of Colleges of Nursing Commission on Collegiate Nursing Education accreditation. All programs must submit verifying documentation of State approval.

C. Need (15 Points)

Applicants must justify the need for their project and provide a plan for the methodology they will use for recruiting AI/AN students nationwide as well as how they will actively assist nursing graduates with job placement.

Applicants must recruit and train AI/AN individuals to be nurses at the graduate and undergraduate level and provide scholarships to those AI/AN individuals enrolled in the school of nursing to pay tuition, books, fees, and stipends for living expenses; provide a program that encourages AI/AN nurses at the graduate and undergraduate level to provide or continue to provide, health care services in AI/AN health care programs; and provide a program that increases the skills of, and provides continuing education, to AI/AN nurses at the graduate and undergraduate level.

D. Evaluation (15 Points)

Applicants must present a plan for evaluating their success in carrying out the project and on an annual basis conduct a quantitative and qualitative evaluation of their year's activities, identifying what areas of the project need to be improved and how they will make those improvements. Applicants must identify how they will meet on an annual basis with the other project directors and staff under this grant program to share successes and challenges and to receive Federal grant training.

E. Prior Experience (10 Points)

The UND must identify their experience with other similar projects, including the results of those projects and provide evidence of their past or potential cooperation and experience with AI/AN communities and Tribes

and how UND Works with the Center for Gifted and Talented Indian Students established under section 5324(a) of the Indian Education Act of 1988.

BILLING CODE 4140-01-M

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5194-N-14]

Notice of Proposed Information Collection: Comment Request; Study of Capital Needs in the Public Housing Program

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of proposed information collection.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comments Due Date:* November 10, 2008.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name or OMB Control Number and should be sent to: Lillian L. Deitzer, Departmental Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW., Room 4178, Washington, DC 20410-5000; telephone 202-402-8048 (this is not a toll-free number) or e-mail Ms. Deitzer at Lillian.L.Deitzer@hud.gov for a copy of the proposed interview guides, survey instruments, or other available information.

FOR FURTHER INFORMATION CONTACT: Mary Schulhof, Office of Policy, Program and Legislative Initiatives, PIH, Department of Housing and Urban Development, 451 7th Street, SW., Room 4116, Washington, DC 20410; telephone 202-708-0713 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: The Department will submit the proposed

information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Study of Capital Needs in the Public Housing Program.

OMB Control Number: 2577-pending.

Description of the need for the information and proposed use: In response to a congressional request, the Department is conducting a study of the existing and accrual capital needs of the public housing stock. Through a combination of on-site inspections and Public Housing Authority (PHA) interviews, capital needs will be estimated at the national level for subcategories such as housing authority size (measured by number of ACC units) and region. The findings will be compared to those from an earlier study, *Capital Needs of the Public Housing Stock in 1998: Formula Capital Study (January 30, 2000)*, to illustrate how existing and accrual needs have changed over time. The study is also required to investigate the feasibility of using Real Estate Assessment Center (REAC) inspections to facilitate ongoing estimates of public housing capital needs. The collected information will support budgeting, planning, and evaluation efforts by Congress and HUD.

Agency form number, if applicable: Not applicable.

Members of affected public: Staff from Public Housing Authorities included in the sample.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: The total burden for data collection is estimated at 4,820 hours (4,400 hours for physical inspections of units and 420 hours for a PHA survey). Since the entire data collection period is
