

ETS to deliver a Product Description to purchasers of ETS.

5. The Trust's Web site, which will be publicly accessible at no charge, will contain the following information, on a per ETS basis, for each Fund: (a) The prior Business Day's NAV and the reported closing price, and a calculation of the premium or discount of such price against such NAV; and (b) data in chart format displaying the frequency distribution of discounts and premiums of the daily closing price against the NAV, within appropriate ranges, for each of the four previous calendar quarters (or the life of the Fund, if shorter). In addition, the Product Description for each Fund will state that the Trust's Web site has information about the premiums and discounts at which the ETS have traded.

6. The Prospectus and annual report for each Fund also will include: (a) The information listed in condition 5(b), (i) in the case of the Prospectus, for the most recently completed year (and the most recently completed quarter or quarters, as applicable) and (ii) in the case of the annual report, for the immediately preceding five years (or the life of the Fund, if shorter); and (b) the following data, calculated on a per ETS basis for one, five and ten year periods (or life of the Fund, if shorter), (i) the cumulative total return and the average annual total return based on NAV and closing price, and (ii) the cumulative total return of the relevant Underlying Index.

7. The requested relief to permit ETF operations will expire on the effective date of any Commission rule under the Act that provides relief permitting the operation of index-based exchange-traded funds and exchange-traded funds that seek to return a multiple, the inverse or an inverse multiple of an index.

For the Commission, by the Division of Investment Management, under delegated authority.
