- Rule 12d2-2 (17 CFR 240.12d2-2) and Form 25 (17 CFR 249.25) Removal and Notification of Removal from Listing and/or Registration.

On February 12, 1935, the Commission adopted Rule 12d2-2,¹ and Form 25 under the Securities Exchange Act of 1934 (15 U.S.C. 78b *et seq.*) ("Act"), to establish the conditions and procedures under which a security may be delisted from an exchange and withdrawn from registration under Section 12(b) of the Act.² The Commission adopted amendments to Rule 12d2-2 and Form 25 in 2005.³ Under the amended Rule 12d2-2, all issuers and national securities exchanges seeking to delist and deregister a security in accordance with the rules of an exchange must file the adopted version of Form 25 with the Commission. The Commission also adopted amendments to Rule 19d-1 under the Act to require exchanges to file the adopted version of Form 25 as notice to the Commission under Section 19(d) of the Act. Finally, the Commission adopted amendments to exempt options and security futures from Section 12(d) of the Act. These amendments are intended to simplify the paperwork and procedure associated with a delisting and to unify general rules and procedures relating to the delisting process.

The Form 25 is useful because it informs the Commission that a security previously traded on an exchange is no longer traded. In addition, the Form 25 enables the Commission to verify that the delisting has occurred in accordance with the rules of the exchange. Further, the Form 25 helps to focus the attention of delisting issuers to make sure that they abide by the proper procedural and notice requirements associated with a delisting. Without Rule 12d2-2 and the Form 25, as applicable, the Commission would be unable to fulfill its statutory responsibilities.

There are ten national securities exchanges that trade equity securities that will be respondents subject to Rule 12d2-2 and Form 25.⁴ The burden of complying with Rule 12d2-2 and Form

25 is not evenly distributed among the exchanges, however, since there are many more securities listed on the New York Stock Exchange, the NASDAQ Stock Market, and the American Stock Exchange LLC than on the other exchanges. However, for purposes of this filing, the Commission staff has assumed that the number of responses is evenly divided among the exchanges. Since approximately 994 responses under Rule 12d2-2 and Form 25 for the purpose of delisting equity securities are received annually by the Commission from the national securities exchanges, the resultant aggregate annual reporting hour burden would be, assuming on average one hour per response, 994 annual burden hours for all exchanges. In addition, since approximately 371 responses are received by the Commission annually from issuers wishing to remove their securities from listing and registration on exchanges, the Commission staff estimates that the aggregate annual reporting hour burden on issuers would be, assuming on average one reporting hour per response, 371 annual burden hours for all issuers. Accordingly, the total annual hour burden for all respondents to comply with Rule 12d2-2 is 1,365 hours. The related costs associated with these burden hours are \$76,177.50.
