Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning

opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276–1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Project: National Outcome Measures for Substance Abuse Prevention (OMB No. 0930–0230)—Revision

The Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Substance Abuse Prevention (CSAP) is requesting Office of Management and Budget (OMB) approval for CSAP's data collection set of National Outcome Measures (NOMs) identified for the field of prevention. The current approval, under OMB No. 0930–0230, is expiring on December 31, 2008. All new grantees initially funded at the end of FY08 and beyond (subject to OMB approval) will be required to use these measures as appropriate at the State, substate, program and participant levels. CSAP is requesting approval to continue collecting data using measures in the following domains: Abstinence from Alcohol and Other Drugs, Employment/Education, Crime and Criminal Justice, Access/Service Capacity, Retention, Social Support/Social Connectedness, Cost-Effectiveness, and Use of Evidence-Based Practices. These NOMs relate to youth ages 12 to 17 and to adults ages 18 and older.

CSAP is proposing to eliminate 22 of the 49 measures that received OMB clearance in 2005, to reduce reporting burden for grantees. CSAP also requests permission to make minor changes to the question wording and response categories for some of the remaining measures. Since the National Survey of Drug Use and Health (NSDUH) provides an economical extant source of data for NOMs measures at the State level, it is
