#### Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Extension of Time Limit for the Preliminary Results of the New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** April 4, 2008.

**FOR FURTHER INFORMATION CONTACT:**

Emeka Chukwudebe, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0219.

**SUPPLEMENTARY INFORMATION:**

#### Background

On April 4, 2008 the Department published a notice of initiation of the new shipper review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam covering the period February 1, 2007 through January 1, 2008. *See Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Initiation of Antidumping Duty New Shipper Review*, 73 FR 18510 (April 4, 2008). The preliminary results of this new shipper review are currently due no later than September 22, 2008.

#### Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214 (i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is

extraordinarily complicated. *See* 19 CFR 351.214 (i)(2).

#### Extension of Time Limit of Preliminary Results

The Department determines that this new shipper review involves extraordinarily complicated methodological issues regarding the use of an intermediate input methodology, potential affiliation issues, the examination of importer information and the evaluation of the *bona fide* nature of company sales. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these preliminary results by 120 days, until no later than January 20, 2009. The final result continues to be due 90 days after the publication of the preliminary result.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: September 17, 2008.

**SUMMARY:** The Monterey Bay National Marine Sanctuary (MBNMS or Sanctuary) is seeking applicants for the Tourism alternate on its Sanctuary Advisory Council. Applicants chosen as the Tourism alternate should expect to serve until February 2011. Applicants are chosen based upon their particular expertise and experience in relation to the alternate position for which they are applying; community and professional affiliations; philosophy regarding the protection and management of marine resources; and possibly the length of

**DATES:** Applications are due by October 24, 2008.

**ADDRESSES:** Application kits may be obtained from Nicole Capps at the Monterey Bay National Marine Sanctuary, 299 Foam Street, Monterey, California 93940. Completed applications should be sent to the same address.

**SUPPLEMENTARY INFORMATION:** The MBNMS Advisory Council was established in March 1994 to assure continued public participation in the management of the Sanctuary. Since its establishment, the Advisory Council has played a vital role in decisions affecting the Sanctuary along the central California coast.

The Advisory Council's twenty voting members represent a variety of local user groups, as well as the general public, plus six local and State governmental jurisdictions. In addition, the respective managers or superintendents for the four California National Marine Sanctuaries (Channel Islands National Marine Sanctuary, Cordell Bank National Marine Sanctuary, Gulf of the Farallones National Marine Sanctuary and the Monterey Bay National Marine Sanctuary), the Elkhorn Slough National Estuarine Research Reserve and the U.S. Coast Guard sit as non-voting members.

Four working groups support the Advisory Council: The Research Activity Panel ("RAP") chaired by the Research Representative, the Sanctuary Education Panel ("SEP") chaired by the Education Representative, the Conservation Working Group ("CWG") chaired by the Conservation Representative, and the Business and Tourism Activity Panel ("BTAP") co-chaired by the Business/Industry and Tourism Representatives, each dealing with matters concerning research, education, conservation and human use. The working groups are composed of experts from the appropriate fields of interest and meet monthly, or bi-monthly, serving as invaluable advisors to the Advisory Council and the Sanctuary Superintendent.

The Advisory Council represents the coordination link between the Sanctuary and the State and Federal management agencies, user groups, researchers, educators, policy makers, and other various groups that help to focus efforts and attention on the central California coastal and marine ecosystems.

The Advisory Council functions in an advisory capacity to the Sanctuary Superintendent and is instrumental in helping develop policies, program goals, and identify education, outreach, research, long-term monitoring, resource protection, and revenue enhancement priorities. The Advisory Council works in concert with the Sanctuary Superintendent by keeping him or her informed about issues of concern throughout the Sanctuary, offering recommendations on specific issues, and aiding the Superintendent in achieving the goals of the Sanctuary program within the context of California's marine programs and policies.
