The basic required marking (e.g., “Parcel Select”, “Bound Printed Matter”, “Media Mail”, “Library Mail”)

must be printed on each piece claimed at the respective price. The basic required marking must be placed in the postage area (printed or produced as part of, or directly below or to the left of, the permit imprint indicia or meter stamp or impression). Optionally, the basic required marking may be printed on the shipping address label as service indicators composed of a service icon and service banner (see Exhibit 2.2.1):

a. The service icon that identifies the marking will be a 1-inch solid black square. If the service icon is used, it must appear in the upper left corner of the shipping label.

b. The service banner must appear directly below the postage payment area and the service icon, and it must extend across the shipping label. If the service banner is used, the appropriate marking (e.g., "PARCEL SELECT", "MEDIA MAIL") must be preceded by the text "USPS" and must be printed in minimum 20-point bold sans serif typeface, uppercase letters, centered within the banner, and bordered above and below by minimum 1-point separator lines. There must be a 1/16-inch clearance above and below the text.
