DEFENSE SECURITY COOPERATION AGENCY

2800 DEFENSE PENTAGON
WASHINGTON, DC 20301-2800

OCT 10 2008

In reply refer to:
USP012679-08

The Honorable Nancy Pelosi
Speaker of the House of Representatives
Washington, DC 20515-6501

Dear Madam Speaker:

Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we forwarded Transmittal No. 08-105, concerning the Department of the Air Force's proposed Letter(s) of Offer and Acceptance to India for defense articles and services. On 3 October 2008, we notified this sale with an estimated value of \$375 million. Subsequently, we discovered that the letters, associated with Transmittal 08-105 did not correctly identify the country. This letter serves to accurately reflect the country as India. After this letter is delivered to your office, we plan to issue a press statement to notify the public of this proposed sale.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey A. Wieringa".

Jeffrey A. Wieringa
Vice Admiral, USN
Director

- (viii) **Date Report Delivered to Congress:** OCT 10 2008

* as defined in Section 47(6) of the Arms Export Control Act.

POLICY JUSTIFICATION

India – CBU-105 Sensor Fuzed Weapons

The Government of India has requested a possible sale of 510 CBU-105 Sensor Fuzed Weapons; 19 CBU-105 Integration test assets (12 live tails, 7 inert tails); 5 CBU-97 Integration test assets; containers; aircraft modification and integration; spare and repair parts; support and test equipment; software support; personnel training and training equipment; technical data and publications; U.S. Government and contractor engineering and logistics support services; and other related elements of logistics support. The estimated cost is \$375 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to strengthen the U.S.-India strategic relationship and to improve the security of an important partner which continues to be an important force for political stability, peace, and economic progress in South Asia.

India intends to use the Sensor Fuzed Weapons to modernize its armed forces and enhance its defensive ability to counter ground-armored threats. The missiles will assist the Indian Air Force to develop and enhance standardization and operational ability with the United States. India will have no difficulty absorbing these missiles into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be Textron Systems Corporation of Wilmington, MA. The purchaser has requested offsets; however, at this time agreements are undetermined and will be defined in negotiations between the purchaser and contractor.

Implementation of this proposed sale will require annual trips to India involving U.S. Government and contractor representatives for technical reviews/support, and program management for a period of approximately two years.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

DEPARTMENT OF DEFENSE

Department of the Army

Notice of Intent To Prepare an Environmental Impact Statement to Construct a Second Runway at the Killeen-Fort Hood Regional Airport, Killeen, TX

AGENCY: Department of the Army, DOD.

ACTION: Notice.

SUMMARY: Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. 4321, *et seq.*), the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of NEPA (40 CFR parts 1500–1508), and Department of the Army (DoA) Implementing regulations (32 CFR part 651 *Environmental Analysis of Army Actions; Final Rule*), the DoA is issuing this notice to advise the public of its intent to prepare an Environmental

Impact Statement (EIS) to assess the potential environmental impacts on a proposal to construct a second runway at the Killeen-Fort Hood Regional Airport (Airport) at Killeen, TX. Initial assessment indicates that the preparation of an EIS is warranted because the proposed action would involve construction of facilities that would have a significant effect on habitat for the federally listed black-capped vireo and golden cheeked warbler. The City of Killeen initiated the proposed project, thus is the project's proponent. Because the proposed
