SECURITIES AND EXCHANGE COMMISSION
Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange

Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form 24F-2, SEC File No. 270-399, OMB Control No. 3235-0456.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 24f-2 (17 CFR 270.24f-2) under the Investment Company Act of 1940 (15 U.S.C. 80a) requires any open-end management companies ("mutual funds"), unit investment trusts ("UITs") or face-amount certificate companies (collectively, "funds") deemed to have registered an indefinite amount of securities to file, not later than 90 days after the end of any fiscal year in which it has publicly offered such securities, Form 24F-2 (17 CFR 274.24) with the Commission. Form 24F-2 is the annual notice of securities sold by funds that accompanies the payment of registration fees with respect to the securities sold during the fiscal year.

The Commission estimates that 5707 funds file Form 24F-2 on the required annual basis. The average annual burden per respondent for Form 24F-2 is estimated to be two hours. The total annual burden for all respondents to Form 24F-2 is estimated to be 11,414 hours.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Compliance with the collection of information required by Form 24F-2 is mandatory. The Form 24F-2 filing that must be made to the Commission is available to the public. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The Commission requests written comments on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to

minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: October 22, 2008.

Florence E. Harmon,

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION
Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form N-PX, SEC File No. 270-524, OMB Control No. 3235-0582.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title of the collection of information is "Form N-PX (17 CFR 274.129) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act"), Annual Report of Proxy Voting Record." Rule 30b1-4 (17 CFR 270.30b1-4) under the Investment Company Act of 1940 requires every registered management investment company, other than a small business investment company ("Fund"), to file Form N-PX not later than August 31 of each year. Funds use Form N-PX to file annual reports with the Commission containing their complete proxy voting record for the most recent twelve-month period ended June 30. Funds also use Form N-PX to inform the Commission that certain of their portfolios do not hold any equity

securities and have no proxy record to file.

The Commission requires the dissemination of this information in order to meet the filing and disclosure requirements of the Investment Company Act and to enable Funds to provide investors with the information necessary to evaluate an investment in the Fund. The information filed with the Commission also permits the verification of compliance with securities law requirements and assures the public availability and dissemination of the information. Requiring a Fund to file its annual reports on Form N-PX has the advantages of making each Fund's proxy voting record available within a relatively short period of time after the proxy voting season, and of providing disclosure of all Funds' proxy voting records over a uniform period of time.

There are approximately 3,800 Funds registered with the Commission, representing approximately 9,400 Fund portfolios, which are required to file Form N-PX.¹ The 9,400 portfolios are comprised of 6,200 portfolios holding equity securities and 3,200 portfolios holding no equity securities. The staff estimates that portfolios holding no equity securities require approximately a 0.17 hour burden per response and those holding equity securities require 14.4 hours per response. The overall estimated annual burden is therefore 89,824 hours ((6,200 responses × 14.4 hours per response for equity holding portfolios) + (3,200 responses × 0.17 hours per response for non-equity holding portfolios)).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted

¹ The estimate of 3,800 Funds is based on the number of management investment companies currently registered with the Commission. We estimate, based on data from the Investment Company Institute and other sources, that there are approximately 5,700 Fund portfolios that invest primarily in equity securities, 500 "hybrid" or bond portfolios that may hold some equity securities, 2,400 bond Funds that hold no equity securities, and 800 money market Funds, for a total of 9,400 portfolios required to file Form N-PX.

Applicants' Representations

1. Each of the Money Market Funds and the Reserve Yield Plus Fund (collectively, the "Funds") is an open-end management investment company registered with the Commission under the Act. Each Money Market Fund is a money market fund that operates in a manner consistent with Rule 2a-7 under the Act and that seeks a high level of short-term interest income exempt from certain taxes as is consistent with the preservation of capital and liquidity. The Reserve Yield Plus Fund seeks as high a level of current income as is consistent with the preservation of capital and liquidity.

2. The Funds have been subject to a heavy level of redemption requests. For example, from September 12, 2008 to October 8, 2008, the total net assets of some of the Funds have declined as follows: (1) The Interstate Tax-Exempt Fund's total net assets declined from \$1.78 billion to \$154.6 million; (2) the Michigan Municipal Money-Market
