

range management and livestock grazing; mineral resources; and special status species, among others. The Kanab Approved RMP/ROD is nearly the same as Alternative B in the Kanab Proposed RMP/Final EIS, published in July 2008, and carries forward the designation decisions for two ACECs, as described in the Proposed RMP/Final EIS.

The Moab Field Office Approved RMP/ROD addresses management of approximately 1.8 million acres of BLM-administered surface lands and 1.9 million acres of federally owned mineral estate in Grand County and a small portion of San Juan County, Utah. The planning effort addressed a variety of management issues, including: Recreation opportunities especially within Special Recreation Management Areas; off-highway vehicle management; cultural resources; special designations including ACECs and suitability recommendations for wild and scenic rivers; lands with wilderness characteristics; visual resources; range management and livestock grazing; oil, gas and mining; and special status species, among others. The Moab Approved RMP/ROD is nearly the same as Alternative C in the Moab Proposed RMP/Final EIS, published in August 2008, and carries forward the designation decisions for five ACECs, as described in the Proposed RMP/Final EIS.

The Price Field Office Approved RMP/ROD addresses management of approximately 2.5 million acres of BLM-administered surface lands and 2.8 million acres of federally owned mineral estate in Emery and Carbon Counties, Utah. The planning effort addressed a variety of management issues, including: Oil and gas leasing; management of recreation opportunities in Special Recreation Management Areas; visual resources; off-highway vehicle management; special designations, including ACECs and suitability recommendations for wild and scenic rivers; range management and livestock grazing; lands with wilderness characteristics; and cultural resources, among others. The Price Approved RMP/ROD is the nearly the same as Alternative D in the Price Proposed RMP/Final EIS, published in August 2008, and carries forward the designation decisions for 13 ACECs, as described in the Proposed RMP/Final EIS.

The Richfield Field Office Approved RMP/ROD addresses management of approximately 2.1 million acres of BLM-administered surface lands and 3.0 million acres of federally owned mineral estate in Garfield, Piute, Sanpete, Sevier and Wayne Counties,

Utah. The planning effort addressed a variety of resource issues, including: Visual resources; recreation and off-highway vehicle management; lands with wilderness characteristics; cultural resources; special designations, including ACECs and suitability recommendations for wild and scenic rivers; range management and livestock grazing; minerals and energy resources; and special status species, among others. The Richfield Approved RMP/ROD is the nearly the same as Alternative B in the Richfield Proposed RMP/Final EIS, published in August 2008, and carries forward the designation decisions of two ACECs, as described in the Proposed RMP/Final EIS.

The Vernal Field Office Approved RMP/ROD addresses management of approximately 1.7 million acres of BLM-administered surface lands and 2.8 million acres of federally owned mineral estate in Daggett, Duchesne, and Uintah Counties, Utah. The planning effort addressed a variety of management issues, including: Oil and gas leasing; rights-of-way; recreation and off-highway vehicle management; cultural resources; special designations, including ACECs and suitability recommendations for wild and scenic rivers; range management and livestock grazing; and special status species, among others. The Vernal Approved RMP/ROD is the nearly the same as Alternative A in the Vernal Proposed RMP/Final EIS, published in August 2008, and carries forward the designation decisions for seven ACECs, as described in the Proposed RMP/Final EIS.

The BLM Director's Office has dismissed or resolved each of the 87 protests received, thus allowing for immediate implementation of the Approved RMPs. These RODs serve as the final decision by the Department of the Interior for the land use plan and implementation-level decisions in the Approved RMP.
