

days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Period of Review

The POR is March 1, 2008, through August 31, 2008. See 19 CFR 351.214(g)(1)(i)(B).

Separate Rate

In cases involving non-market economies, the Department requires that a company seeking to establish eligibility for an antidumping duty rate separate from the PRC-wide entity rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to Jiangxi Ansun, including a separate-rate section. The review will proceed if the responses provide sufficient indication that Jiangxi Ansun is not subject to either *de jure* or *de facto* government control with respect to its exports of glycine. However, if Jiangxi Ansun does not demonstrate its eligibility for a separate rate, the company will be deemed not separate from other companies that exported during the POI, and the NSR for Jiangxi Ansun will be rescinded.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct CBP to collect a bond or other security in lieu of a cash deposit in new shipper reviews during the period April 1, 2006, through June 30, 2009. Therefore, the posting of a bond or other security under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of glycine produced and exported by Jiangxi Ansun must continue to post a cash deposit of estimated antidumping duties on each entry of subject merchandise at the current PRC-wide rate of 155.89 percent.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Polyethylene Terephthalate Film Sheet and Strip from India: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 4, 2008.

FOR FURTHER INFORMATION CONTACT: Martha Douthit, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. Telephone: (202) 482-5050.

Background

On July 1, 2002, the Department of Commerce (the Department), published the antidumping duty order on polyethylene terephthalate film sheet and strip (PET Film) from India. See *Notice of Amended Final Antidumping Duty Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Polyethylene Terephthalate Film, Sheet, and Strip from India*, 67 FR 44175 (July 1, 2002).

On July 11, 2008, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on PET Film from India. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 73 FR 39948 (July 11, 2008). On July 15, 2008, Jindal Poly Films Limited (Jindal), an Indian producer and exporter to the United States of PET Film, timely requested that the Department conduct an administrative review of Jindal. Jindal was the only party to request this administrative review. On August 26, 2008, the Department published a notice of initiation of the antidumping duty administrative review of PET Film from India for the period of review, July 1, 2007, through June 30, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 73 FR 50308 (August 26, 2008). On September 25, 2008, Jindal withdrew its request for an administrative review.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of

publication of the notice of initiation of the requested review. Jindal withdrew its request before the 90-day deadline and no other party requested an administrative review of the antidumping duty order on PET Film from India. Therefore, in response to Jindal's withdrawal of their request for an administrative review pursuant to 19 CFR 351.213(d)(1), the Department hereby rescinds the administrative review of the antidumping duty order on PET Film from India.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review is rescinded, the antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawn from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this rescission of administrative review.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protection orders ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: October 27, 2008.
