SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes the notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Abstract: This data collection is pursuant to the Secretary's authority

under Part B of Title VI of the Elementary and Secondary Education Act (ESEA), to award funds under two grant programs designed to address the unique needs of rural school districts—the Small, Rural School Achievement Program (ESEA Section 6212) and the Rural and Low-Income School Program (ESEA Section 6221). Under the Small, Rural School Achievement Program, the Secretary awards grants directly to eligible local educational agencies (LEAs) on a formula basis. Under the Rural and Low-income School Program, eligible school districts are sub-recipients of funds the Department awards to SEAs on a formula basis. For both grant programs, the Department awards funds based a determination of the eligibility of individual school districts and calculating formula allocations each eligible district should receive.

The Department has devised a two-tier strategy to accomplish the funding process for the REAP program: (1) The Department collects from SEAs the information the Department needs to make eligibility and funds allocation determinations, and (2) LEAs submit applications for grant funding.
