

\$400,000, or if such other event shall occur or condition exists which in the opinion of the NYSE Arca Equities makes further dealings on NYSE Arca Equities inadvisable.

III. Discussion and Commission's Findings

The Commission has carefully reviewed the proposed rule change and finds that it is consistent with the requirements of Section 6(b)⁴ of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁵ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5)⁶ of the Act, which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that the proposed \$400,000 dollar threshold should help to ensure a minimum level of liquidity for products listed under NYSE Arca Equities Rules 5.2(j)(1) and 5.2(j)(2), respectively. The Commission also believes that the proposed rule change should provide the Exchange the flexibility to commence delisting proceedings for these securities should other events or conditions exist that call for such action. The Exchange has represented that securities listed under NYSE Arca Equities Rules 5.2(j)(1) and 5.2(j)(2) are subject to trading suspension or delisting pursuant to standards set forth in Rule 5.5(l). Taken together, the Commission believes that such criteria should help ensure the maintenance of fair and orderly markets for such securities. Additionally, the Commission notes that the proposed criteria are similar to those continued listing standards currently applicable to certain classes of securities listed pursuant to NYSE Arca Equities Rule 5.2(j).⁷

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the

proposed rule change (SR–NYSEArca–2008–104) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Florence E. Harmon,
Acting Secretary.
