### Submission for OMB Review; Comment Request

November 17, 2008.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB),

*OIRA\_Submission@OMB.EOP.GOV* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

### Agricultural Research Service

*Title:* USDA Biological Shipment Record—Beneficial Organisms.

*OMB Control Number:* 0518-0013.

*Summary of Collection:* The Biological Control Documentation Program records the importation and release of foreign biological control agents. Provision of the data is entirely voluntary and is used to populate the USDA "Release of Beneficial Organisms in the United States and Territories" (ROBO) database.

*Need and Use of the Information:* The Agricultural Research Service will collect information using forms AD-941, 942 and 943, on the biological/control and taxonomic research program by recording the introduction and release of non-indigenous biological control organisms in the pollinators in the United States. If information were not collected there would be no systematic method for the collection of such information.

*Description of Respondents:* Federal Government; State, Local or Tribal Government.

*Number of Respondents:* 40.

*Frequency of Responses:* Reporting: On occasion; Annually.

*Total Burden Hours:* 10.

### Animal and Plant Health Inspection Service

*Title:* User Fee Regulation, 7 CFR 354 and 9 CFR 130.

*OMB Control Number:* 0579-0094.

*Summary of Collection:* The Food, Agriculture, Conservation and Trade Act of 1990 authorizes the Secretary of Agriculture and the Animal and Plant Health Inspection Service (APHIS) to prescribe and collect fees to cover the cost of providing certain Agricultural Quarantine and Inspection (AQI) services. The Act gives the Secretary the authority to charge for the inspection of international passengers, commercial vessels, trucks, aircraft, and railroad cars, and to recover the costs of providing the inspection of plants and plant products offered for export. The Secretary is authorized to use the revenue to provide reimbursements to any appropriation accounts that incur costs associated with the AQI services provided. APHIS will collect information using several APHIS forms.
