SUPPLEMENTARY INFORMATION: Section 4043 of the Employee Retirement Income Security Act of 1974 (ERISA) requires plan administrators and plan sponsors to report certain plan and employer events to the PBGC. The reporting requirements give the PBGC notice of events that indicate plan or employer financial problems. The PBGC uses the information provided in determining what, if any, action it needs to take. For example, the PBGC might need to institute proceedings to terminate a plan (placing it in trusteeship) under section 4042 of ERISA to ensure the continued payment of benefits to plan participants and their beneficiaries or to prevent unreasonable increases in its losses.

The forms and instructions have been revised to remove information that is no longer applicable in light of changes made by the Pension Protection Act of 2006 and to refer to interim guidance issued by PBGC.

The collection of information under the regulation has been approved through February 28, 2009, by OMB under control number 1212-0013. The PBGC intends to request that OMB extend approval (with modifications) for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC estimates that it will receive 628 reportable events per year under this collection of information. The PBGC further estimates that the average annual burden of this collection of information is 2,571 hours and \$899,850.

The PBGC is soliciting public comments to—

- Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

[Docket Nos. MC2009-8 and CP2009-9; Order No. 134]

Competitive Product Prices Bilateral Negotiated Service Agreement

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is noticing a recently-filed Postal Service request to add the Canada Post—United States Postal Service Contractual Bilateral Agreement for Inbound Competitive Services to the Competitive Product List. The Postal Service has also filed a related contract. This notice addresses procedural steps associated with these filings.

DATES: Comments are due December 3, 2008.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202-789-6820 and stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION:

I. Background

On November 13, 2008, the Postal Service filed a formal request pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.* to add the Canada Post—United

States Postal Service Contractual Bilateral Agreement for Inbound Competitive Services (Bilateral Agreement) to the Competitive Product List.¹ The Postal asserts that the Contractual Bilateral Agreement is a competitive product “not of general applicability” within the meaning of 39 U.S.C. 3632(b)(3). This Request has been assigned Docket No. MC2009–8.

The Postal Service contemporaneously filed notice, pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5, that the Governors have established prices and classifications not of general applicability for inbound competitive services as reflected in the Bilateral Agreement. More specifically, the Bilateral Agreement, which has been assigned Docket No. CP2009–9, governs the exchange of Inbound Parcel Post from Canada.

In support of its Request, the Postal Service filed a redacted version of the Governors’ Decision establishing prices for the Bilateral Agreement. Attached to the Governors’ Decision are: Proposed Mail Classification Schedule language, a redacted version of management’s analysis of the Bilateral Agreement, certification of compliance with 39 U.S.C. 3633 (a), certification of the Governors’ vote,² and a Statement of Supporting Justification as required by 39 CFR 3020.32.³ In addition, the Postal Service indicates that it filed an unredacted copy of the Governors’ Decision, the Bilateral Agreement, and other supporting documents designed to establish compliance with 39 CFR 3015.5 under seal. Request at 2, n.2.

In the Statement of Supporting Justification, Lea Emerson, Executive Director, International Postal Affairs, asserts that “[t]he addition of the [Bilateral] Agreement as a competitive product will enable the Commission to verify that the agreement covers its attributable costs and enables competitive products, as a whole, to make a positive contribution to coverage of institutional costs.” *Id.* at 2. W. Ashley Lyons, Manager, Corporate Financial Planning, Finance Department, certifies that the contract complies with 39 U.S.C. 3633(a). Request, Attachment 1. He observes that the Bilateral Agreement “should not impair the ability of competitive products on the whole to cover an

appropriate share of institutional costs.” *Id.*

As noted, the Postal Service filed much of the supporting materials, including the Governors’ Decision and the Bilateral Agreement, under seal. It maintains that the Bilateral Agreement, related financial information, and the Governors’ Decision should remain under seal as they contain pricing, cost, and other information that are highly confidential. Request at 2.⁴

The Postal Service has an existing bilateral agreement with Canada Post which is set to expire December 31, 2008. *Id.* at 3. The new prices and classifications modify the current agreement, extend it for 1 year, and are scheduled to take effect January 1, 2009, or “after filing with and review by the Postal Regulatory Commission, whichever is later.” Governors’ Decision at 2.

II. Notice of Filings

The Commission establishes Docket Nos. MC2009–8 and CP2009–9 for consideration of the Request pertaining to the proposed Canada Post—United States Postal Service Contractual Bilateral Agreement product and the related Bilateral Agreement, respectively. In keeping with practice, these dockets are addressed on a consolidated basis for purposes of this Order; however, future filings should be made in the specific docket in which issues being addressed pertain.

Interested persons may submit comments on whether the Postal Service’s filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642, 39 CFR part 3015, and 39 CFR 3020 subpart B. Comments are due no later than December 3, 2008. The public portions of these filings can be accessed via the Commission’s Web site (<http://www.prc.gov>).

The Commission appoints Paul L. Harrington to serve as Public Representative in these dockets.

It is Ordered:

1. The Commission establishes Docket Nos. MC2009–8 and CP2009–9 for consideration of the matters raised in each docket.

2. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as

officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.

3. Comments by interested persons in these proceedings are due no later than December 3, 2008.

4. The Secretary shall arrange for publication of this order in the **Federal Register**.

By the Commission.

Steven W. Williams,
Secretary.
