The notice was published in the **Federal Register** on November 3, 2008 (73 FR 65406).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of wood coatings (paints, lacquers, and stains).

Based on these findings, the Department is amending this certification to include employees in support of the High Point, North Carolina facility of the subject firm working on-site at American of Martinsville, Martinsville, Virginia.
