

responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record

communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications

listed are grouped by docket numbers in ascending order. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. Credit and Capital Issues Affecting the Electric Power Industry; Notice of Technical Conference

November 20, 2008.

Take notice that on January 13, 2009, the Commission will convene a technical conference to discuss issues affecting the electric power industry that result from the current situation in the financial markets. Such issues include both the short-term credit issues such as access to capital for normal business operations and credit practices in short-term markets, as well as the effect on long-term capital financing of infrastructure replacement and new project development. The technical conference is designed to provide the Commission and industry stakeholders with current information about the financial health of electric public utilities, the state of wholesale power markets, and the development of infrastructure.

The technical conference will be held in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. All interested persons are invited to attend. The conference is free with no registration. Further notices with

detailed information will be issued in advance of the conference.

A free Webcast of this event is available through <http://www.ferc.gov>. Anyone with Internet access who desires to listen to this event can do so by navigating <http://www.ferc.gov>'s Calendar of Events and locating this event in the Calendar. The event will contain a link to its Webcast. The Capitol Connection provides technical support for the Webcasts and offers the option of listening to the meeting via phone-bridge for a fee.
