**DEPARTMENT OF STATE**

**[Public Notice 6435]**

**U.S. Department of State Advisory Committee on Private International Law: Working Group on Conflicts of Law**

A Working Group on Conflicts of Law has been established under the Department of State Advisory Committee on Private International Law to consider issues relating to choice of law, applicable law and dispute resolution. This is not a meeting of the full Advisory Committee.

In the context of the Seventh Inter-American Specialized Conference on Private International Law (CIDIP-VII), the Committee on Juridical and Political Affairs of the Permanent Council of the Organization of American States (OAS) is carrying out work on consumer rights as part of its program on private law. Three proposals have been put forward: a Brazilian draft convention on applicable law, a Canadian draft model law on jurisdiction and applicable law, and a United States proposal in the form of legislative guidelines and model laws/rules to promote consumer redress mechanisms such as small claims tribunals, collective procedures, on-line dispute resolution, and government actions.

The United States is also considering whether to pursue ratification of the Inter-American Convention on the Law Applicable to International Contracts
