Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L.) 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes a revision to an OMB-approved information collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, e-mail, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and the SSA Reports Clearance Officer at the addresses or fax numbers listed below.

1. *Report of New Information in Disability Cases—20 CFR 404.1588—0960-0071.* SSA uses the information it collects on Form SSA-612 to ensure that Federal Old Age, Survivors, and Disability Insurance (OASDI) payments are correct. It is essential that beneficiaries notify SSA of any information that may affect their continuing entitlement to disability benefits. To facilitate and encourage timely reporting of such events, SSA furnishes beneficiaries a Form SSA-612. The beneficiary completes and returns the form to SSA *only* when there is a change in his/her circumstances. When a beneficiary reports a change, SSA investigates any reported work activity or improvement in the beneficiary's condition, updates its records, and makes necessary payment changes. The respondent's are recipients of Federal OASDI benefits.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 16,000.

Frequency of Response: 1.

Average Burden per Response: 5 minutes.

Estimated Annual Burden: 1,333 hours.

2. *You Can Make Your Payment by Credit Card—0960-0462.* SSA uses the information on Forms SSA-4588 and SSA-4589 to update an individual's Social Security record to reflect payments made on their overpayment and to effect payment through the appropriate credit card company. SSA is modifying the Form SSA-4588 to include a recurring credit card payment option to allow individuals to authorize automatic monthly payments. SSA sends out the SSA-4588 with initial overpayment notices, which inform individuals that SSA has detected an overpayment. Individuals may choose to make a one-time payment or recurring monthly payments by completing and submitting the SSA-4588.

SSA uses the Form SSA-4589 only when individuals choose to call the Program Service Centers to make payments in lieu of completing the Form SSA-4588. An SSA Debtor Contact Representative completes Form

SSA-4589 when a debtor calls to make a payment by telephone. The Debtor Contact Representative also uses the information from Form SSA-4589 to make recurring monthly payments via telephone call with the debtor.

Respondents are Title II beneficiaries and Title XVI recipients who have outstanding overpayments.

Type of Request: Revision of an OMB-approved information collection.

The respondents are former employees and vendors who have outstanding debts to the agency, entities who have reimbursable agreements with SSA, and

is the legal mechanism for compensating persons injured by negligent or wrongful acts that occur during the performance of official duties by Federal employees. In accordance with the law, SSA accepts monetary claims filed under the Federal Tort Claims Act for damages against the United States for loss of property, personal injury or death that results from an SSA employee's negligent or wrongful act or omission. The respondents are individuals/entities making a claim under the Federal Tort Claims Act.
