[Docket Nos. RM08-3-002]

North American Electric Reliability Corporation; Notice of Filing

November 24, 2008.

Take notice that on November 17, 2008, the North American Electric Reliability Corporation (NERC) filed a compliance filing, requiring NERC to submit a timeline for developing and filing a modification to Requirement R9.3.5 of Reliability Standard NUC-001-1, pursuant to paragraph 107 of the Commission's Order No. 716.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all the parties in this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the
