ADDRESSES: Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: FAR Desk Officer, OMB, Room 10102, NEOB, Washington, DC 20503, and a copy to the General Services Administration, FAR Secretariat (VPR), 1800 F Street, NW., Room 4041, Washington, DC 20405.

FOR FURTHER INFORMATION CONTACT: Ernest Woodson, Contract Policy Division, GSA (202) 501-3775.

SUPPLEMENTARY INFORMATION:

A. Purpose

Federal solicitations normally do not specify delivery schedules that will require overtime at the Government's expense. However, when overtime is required under a contract and it exceeds the dollar ceiling established during negotiations, the contractor must request approval from the contracting officer for overtime. With the request, the contractor must provide information regarding the need for overtime.

SUPPLEMENTARY INFORMATION:

A. Purpose

Under Federal contracts requiring that equipment (e.g., pumps, fans, generators, chillers, etc.) be installed in a project, the Government must determine that the equipment meets the contract requirements. Therefore, the contractor must submit sufficient data on the particular equipment to allow the Government to analyze the item.

The Government uses the submitted data to determine whether or not the equipment meets the contract requirements in the categories of performance, construction, and durability. This data is placed in the contract file and used during the inspection of the equipment when it arrives on the project and when it is made operable.
