Title: Short Term Lending Program Application.

Form No. Short Term Lending Program.

Type Of Review: Renewal.

Abstract: The collection involves the use of the "Short-term Lending Program Application for a New Loan Guarantee" and the "Application for Loan Guarantee Renewal". The information to be collected will be used to determine the applicant's eligibility and is necessary to approve or deny a loan. We are required to publish this notice in the **Federal Register** by the Paperwork Reduction Act of 1995. OSDBU's Short-term Lending Program (STLP) offers certified Disadvantaged Business Enterprises (DBEs) and other Certified Small Businesses (8a, women-owned, small disadvantaged, HubZone, veteran owned, and service disabled veteran owned) the opportunity to obtain short-term working capital at variable interest rates for transportation-related projects. The STLP provides up to a 75% guaranteed revolving line of credit for a maximum of \$750,000 to finance accounts receivable arising from transportation-related contracts. These loans are provided through banks that serve as STLP Participating Lenders (PL). The term of the line of credit is for one (1) year, which may be renewed up

to a total of five (5) years. A potential STLP participant must submit a guaranteed loan application package, comprised of a loan application, with supporting documentation collected from the checklist on page seven (7) of the application. A current STLP participant may submit a guaranteed loan renewal application package, comprised of an updated loan application, with supporting documentation collected from the checklist on page seven (7) of the application. The Short-term Lending Program-Bank Verification Loan Activation Form; Bank Verification Extension Request Form; Bank Acknowledgement Loan Close-Out Form; Guarantee Loan Status Report; Pending Loan Status Report; Drug-Free Workplace Act Certification for a Grantee Other than an Individual; Certification Regarding Lobbying for Contracts Grants, Loans, and Cooperative Agreements; and Certification Regarding Debarment, Suspension are all documents used and required by our Participating Lenders. All the bank documentation is performed by the PLs. As part of the requirements for approval as a PL, banks must submit documentation that demonstrates it is a drug-free workplace by executing a Certification of Compliance concerning a drug-free workplace; that no Federal funds will be utilized for lobbying by executing a Certificate Regarding Lobbying in compliance with Section 1352, Title 21, of the U.S. Code; that it is not currently debarred or suspended from participation in a government contract or delinquent on a government debt by submitting a current SBA Form 1624 or its equivalent. The STLP is subject to the requirements of the Federal Credit Reform Act of 1990 (FCRA) that includes certain budgeting and accounting requirements for Federal credit programs. The PL must undertake processes to activate, monitor, service and close-out STLP loans. To fulfill the requirements of FCRA, the PL shall retain all documents, files, books, and records relevant to the administration of an STLP loan and must submit regular reports and required documentation to OSDBU on these processes. All information collected from the respondents on the Short-Term Lending Online Program Application for a New Loan Guarantee and the Application for Loan Guarantee Renewal is covered under the privacy act.

Background

Section 6005 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (codified at 23 U.S.C. 327) established a pilot program to allow up to five States to assume the Secretary of Transportation's responsibilities for environmental review, consultation, or other actions under any Federal environmental law pertaining to the review or approval of highway projects. In order to be selected for the pilot

program, a State must submit an application to the Secretary.

On June 29, 2007, Caltrans and FHWA entered into a Memorandum of Understanding (MOU) establishing the assignments to and assumptions of responsibility to Caltrans. Under the MOU, Caltrans assumed the majority of FHWA's responsibilities under the National Environmental Policy Act, as well as the FHWA's responsibilities under other Federal environmental laws for most highway projects in California.

Section 327(g) of Title 23, United States Code, requires the Secretary to conduct semiannual audits during each of the first 2 years of State participation, and annual audits during each subsequent year of State participation to ensure compliance by each State participating in the Pilot Program. The results of each audit must be presented in the form of an audit report and be made available for public comment. This notice announces the availability of the second audit report for Caltrans and solicits public comment on same.
