

promotion and chronic disease prevention approaches at the local, regional, and national levels.

The HP/DP competitive grant was established in 2005 to encourage Tribal and urban Indian programs to fully engage their local schools, communities, health care providers, health centers, faith-based/spiritual communities, senior centers, youth programs, local governments, academia, non-profit organizations, and many other community sectors to work together to enhance and promote health and prevent chronic disease in their communities. Thirty-three Tribal/urban Indian organizations and programs were

awarded competitive grants to expand and enhance health promotion and disease prevention to address health disparities among AI/AN populations.

To conduct a thorough evaluation of the grant program, 29 telephone and four face-to-face interviews will be conducted to collect information to complete a quantitative and qualitative evaluation of the HP/DP grant program. The teleconference interviews may include one staff member per site. Each of the Tribal/urban organization/programs will determine the number of their staff members that will participate in the interview. The evaluation will include an assessment of whether HP/

DP grantees achieve measurable health outcomes, synthesize the evaluation findings, and include a written report with recommendations to enhance program effectiveness. The information gathered will be used to prepare a final report for OMB.

Affected Public: Individuals.

Type of Respondents: Tribal/urban organizations program staff.

The table below provides: Types of data collection instruments, estimated number of respondents, number of responses per respondent, average burden hour per response, and total annual burden hour(s).

ESTIMATED BURDEN HOURS

Data collection instrument	Estimated number of respondents	Responses per respondent	Average burden hour per response	Total annual burden hours
HP/DP Grantees Telephone and Face-to-Face Interview Survey	231	1	1	231
Total	231	231

There are no Capital Costs, Operating Costs, and/or Maintenance Costs to report.
