SUMMARY: Based on affirmative final determinations by the Department of Commerce and the International Trade Commission, the Department of Commerce is issuing an antidumping duty order on uncovered innerspring units from the Socialist Republic of Vietnam.

EFFECTIVE DATE: December 11, 2008.

FOR FURTHER INFORMATION CONTACT: Eugene Degan or Robert Bolling, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0414 or (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 21, 2008, the Department of Commerce (the "Department") published the final determination of sales at less than fair value of uncovered innerspring units from the Socialist Republic of Vietnam. See *Uncovered Innerspring Units from the Socialist Republic of Vietnam: Notice of Final Determination of Sales at Less Than Fair Value*, 73 FR 62479 (October 21, 2008). On December 4, 2008, the International Trade Commission ("ITC") notified the Department of its final determination pursuant to section 735(d) of the Tariff Act of 1930, as amended (the "Act"), that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of less-than-fair-value imports of uncovered innerspring units from the Socialist Republic of Vietnam. See *Uncovered Innerspring Units from South Africa and Vietnam*, USITC Pub. 4051, Investigation Nos. 731-TA-1141-1142 (Final) (November 2008).

Pursuant to section 736(a) of the Act, the Department is publishing an

antidumping duty order on the subject merchandise.

Scope of Order

The merchandise covered by this order is uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (e.g., twin, twin long, full, full long, queen, California king, and king) and units used in smaller constructions, such as crib and youth mattresses. All uncovered innerspring units are included in this scope regardless of width and length. Included within this definition are innersprings typically ranging from 30.5 inches to 76 inches in width and 68 inches to 84 inches in length. Innersprings for crib mattresses typically range from 25 inches to 27 inches in width and 50 inches to 52 inches in length.

Uncovered innerspring units are suitable for use as the innerspring component in the manufacture of innerspring mattresses, including mattresses that incorporate a foam encasement around the innerspring.

Pocketed and non-pocketed innerspring units are included in this definition. Non-pocketed innersprings are typically joined together with helical wire and border rods. Non-pocketed innersprings are included in this definition regardless of whether they have border rods attached to the perimeter of the innerspring. Pocketed innersprings are individual coils covered by a "pocket" or "sock" of a nonwoven synthetic material or woven material and then glued together in a linear fashion.

Uncovered innersprings are classified under subheading 9404.29.9010 and have also been classified under subheadings 9404.10.0000, 7326.20.00.70, 7320.20.5010, or 7320.90.5010 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.

Antidumping Duty Order

In accordance with section 736(a)(1) of the Act, the Department will direct U.S. Customs and Border Protection ("CBP") to assess, upon further instruction by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or the constructed export price) of the merchandise for all relevant entries of uncovered innerspring units from the Socialist Republic of Vietnam.

These antidumping duties will be assessed on (1) all entries of uncovered innerspring units from the Socialist Republic of Vietnam entered, or withdrawn from the warehouse, for consumption on or after August 6, 2008, the date on which the Department published *Uncovered Innerspring Units from the Socialist Republic of Vietnam: Notice of Preliminary Determination of Sales at Less Than Fair Value*, 73 FR 45738 (August 6, 2008) (*Preliminary Determination*), through December 5, 2008, the date on which the Department is required, pursuant to section 733(d) of the Act, to terminate the suspension of liquidation, and (2) on all subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the ITC's notice of final determination in the **Federal Register**.

The Department will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, un-liquidated entries of uncovered innerspring units from the Socialist Republic of Vietnam entered, or withdrawn from the warehouse, for consumption subsequent to December 5, 2008, through the day preceding the publication of the ITC's notice of final determination in the **Federal Register**. See section 733(d) of the Act.

Effective on the date of publication of the ITC's notice of final determination in the **Federal Register**, CBP officers must require, at the same time as importers would normally deposit estimated duties, cash deposits based on the rates listed below, in accordance with section 736(a)(3) of the Act.

Continuation of Antidumping Duty Order on Freshwater Crawfish Tail Meat from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Department) and the International Trade Commission (ITC) that revocation of the antidumping duty order on freshwater crawfish tail meat (crawfish) from the People's Republic of China (PRC) would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation for the antidumping duty order.

EFFECTIVE DATE: December 11, 2008.

FOR FURTHER INFORMATION CONTACT: Lyn Johnson or Mino Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5287 and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2008, the Department initiated and the ITC instituted the second sunset review of the antidumping duty order on crawfish from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-Year ("Sunset") Review*, 73 FR 37411 (July 1, 2008); see also *Institution of a Five-Year Review Concerning the Antidumping Duty Order on Crawfish Tail Meat from China*, 73 FR 37489 (July 1, 2008).

As a result of its review, the Department determined that revocation of the antidumping duty order on crawfish from the PRC would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked. See *Freshwater Crawfish Tail Meat from the People's Republic of China: Final Results of the Second Expedited Sunset Review of the Antidumping Duty Order*, 73 FR 65832 (November 5, 2008).

On November 25, 2008, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on crawfish

from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonable foreseeable future. See *Crawfish Tail Meat from China* (Inv. No. 731-TA-752 (Second Review)), USITC Publication 4047 (November 25, 2008); see also *Crawfish Tail Meat from China*, 73 FR 72833 (December 1, 2008).

Scope of Order

The product covered by this antidumping duty order is freshwater crawfish, in all its forms (whether washed or with fat on, whether purged or unpurged), grades, and sizes; whether frozen, fresh, or chilled; and regardless of how it is packed, preserved, or prepared. Excluded from the scope of the order are live crawfish and other whole crawfish, whether boiled, frozen, fresh, or chilled. Also excluded are saltwater crawfish of any type, and parts thereof. Freshwater crawfish tail meat is currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers 1605.40.10.10 and 1605.40.10.90, which are the new HTSUS numbers for prepared foodstuffs, indicating peeled crawfish tail meat and other, as introduced by the CBP in 2000, and HTSUS numbers 0306.19.00.10 and 0306.29.00.00, which are reserved for fish and crustaceans in general. The HTSUS subheadings are provided for convenience and customs purposes only. The written description of the scope of this order is dispositive.

Continuation of the Order

As a result of these determinations by the Department and the ITC that revocation of the antidumping duty order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on crawfish from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

This five-year sunset review and this notice are in accordance with section
