BILLING CODE 4140–01–M

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

Disaster Housing Assistance Program (DHAP)–Ike

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: This document provides notice that the Federal Emergency Management Agency (FEMA) and the Department of Housing and Urban Development (HUD) executed an Interagency Agreement (IAA) establishing a grant program called “Disaster Housing Assistance Program (DHAP)–Ike” for Hurricanes Ike and Gustav. DHAP–Ike is a temporary housing rental assistance and case management program for identified individuals and families displaced by Hurricanes Ike and Gustav. Under the IAA, HUD acts as the servicing agency of DHAP–Ike and will begin administration of the program effective November 1, 2008.

DATES: FEMA and HUD executed the Interagency Agreement and established DHAP–Ike for Hurricanes Ike and Gustav on September 23, 2008.

ADDRESSES: Details about DHAP–Ike will be published by HUD in a subsequent **Federal Register** Notice. In addition, a copy of the full text of the FEMA–HUD IAA can be accessed via the FEMA Web site at <http://www.fema.gov>. Other related program information on DHAP–Ike is available on the HUD Web site at <http://hud.gov/offices/pih/publications/ike.cfm>. Periodic updates on DHAP–Ike will be posted on FEMA and HUD’s Web sites.

FOR FURTHER INFORMATION CONTACT: Berl D. Jones, Jr., Director, Individual Assistance Division, Disaster Assistance Directorate, Federal Emergency Management Agency, Department of Homeland Security, 500 C Street, SW., Washington, DC 20472, telephone (202) 212–1000 (this is not a toll-free number). Individuals with speech or hearing impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800–877–8339.

SUPPLEMENTARY INFORMATION: In September 2008, Hurricanes Ike and Gustav struck the United States causing significant damage to property and the displacement of tens of thousands of individuals and families from their homes and communities. Under section 408 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5174, the Federal Emergency Management Agency (FEMA) disaster housing programs are short-term assistance programs with a limitation of 18 months, unless extended by the President.

Because HUD has the expertise in administering various Federal housing programs, FEMA is relying on HUD’s experience to design, implement, and administer DHAP–Ike for Hurricanes Ike and Gustav in coordination with and on behalf of FEMA. Under DHAP–Ike, HUD will provide housing assistance, security and utility deposits, and case management services to individuals and families displaced by Hurricane Gustav and Ike. The local Public Housing Agencies (PHAs), which currently administer the Housing Choice Voucher Program (HCVP) and the Disaster Housing Assistance Program (DHAP) for Hurricanes Katrina and Rita, will be designated by HUD to administer DHAP–Ike in their jurisdictions. PHAs will be awarded grants from FEMA to provide rent subsidies to eligible families for a period not to exceed 17 months commencing November 1, 2008.
