Federal Emergency Management Agency

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice; 30-day notice and request for comments; Revision of a currently approved collection, OMB Number 1660-0008, FEMA Form 81-31, FEMA Form 81-65.

SUMMARY: The Federal Emergency Management Agency (FEMA) has submitted the following information collection to the Office of Management and Budget (OMB) for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission describes the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and includes the actual data collection instruments FEMA will use.

Collection of Information

Title: Post Construction Elevation Certificate/Floodproofing Certificate.

OMB Number: 1660-0008.

Form Numbers: FEMA Form 81-31, Elevation Certificate, FEMA Form 81-65, Floodproofing Certificate.

Abstract: The Elevation Certificate and Floodproofing Certificate are used in conjunction with the application for flood insurance (OMB No. 1660-0006, National Flood Insurance Program Policy Forms). The certificates are required for proper rating of post Flood Insurance Rate Map (FIRM) structures, which are buildings constructed after the publication of the FIRM, for flood insurance in Special Flood Hazard

Areas. In addition, the Elevation Certificate is needed for pre-FIRM structures being rated under post-FIRM flood insurance rules. The certificates provide community officials and others standardized documents to readily record needed building elevation information. NFIP policyholders/applicants provide the appropriate certificate to insurance agents. The certificate is then used in conjunction with the insurance application so that the building can be properly rated for flood insurance.

Affected Public: Individuals and households, Business or other for-profit, State, local or Tribal Government, Farms, Not-for-profit institutions.

Number of Respondents: 2,200.

Estimated Time per Respondent: 3.75.
