DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2008-0197]

Science and Technology (S&T) Directorate; Submission for Review; Information Collection Request for the DHS S&T Project 25 (P25) Compliance Assessment Program (CAP)

AGENCY: Science and Technology Directorate, DHS.

ACTION: 30-day notice and request for comment.

SUMMARY: The Department of Homeland Security (DHS) invites the general public to comment on a new data collection form for the DHS Science and Technology Directorate's Project 25 (P25) Compliance Assessment Program (CAP): SUPPLIER'S DECLARATION OF COMPLIANCE (SDoC) (DHS Form 10044) and SUMMARY TEST REPORT (DHS Form 10056). The attacks of September 11, 2001, and the destruction of Hurricane Katrina made apparent the need for emergency response radio systems that can interoperate, regardless of which organization manufactured the equipment. In response, and per congressional direction, DHS and the National Institute of Standards and Technology (NIST) developed the P25 CAP to improve the emergency response community's confidence in purchasing land mobile radio (LMR) equipment built to P25 LMR standards. The P25 CAP establishes a process for ensuring that equipment complies with P25 standards and is capable of interoperating across manufacturers.

The Department of Homeland Security needs to be able to collect essential information from manufacturers on their products that have met P25 standards as demonstrated through the P25 CAP. Equipment suppliers will provide information to publicly attest to their products' compliance with a specific set of P25 standards. Accompanied by a Summary Test Report that substantiates this declaration, the SDoC constitutes a company's formal, public attestation of compliance with the standards for the equipment. In providing this information, companies will consent making this information public. In turn, the emergency response community will use this information to identify P25-compliant communications systems.

The P25 CAP Program Manager will perform a simple administrative review to ensure the documentation is complete and accurate in accordance with the current P25 CAP processes. This notice and request for comments is required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. chapter 35).

DATES: Comments are encouraged and will be accepted until January 16, 2009.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to Desk Officer for the Department of Homeland Security, Science & Technology Directorate, and sent via electronic mail to oir_submission@omb.eop.gov or faxed to (202) 395-6974. Please include docket number [DHS-2008-0197] in the subject line of the message.

FOR FURTHER INFORMATION CONTACT: Michael Bowerbank, 202-254-6895.

SUPPLEMENTARY INFORMATION: The SDoC and Summary Test Report forms will be posted on the SAFECOM Web site at <http://www.safecomprogram.gov/SAFECOM/currentprojects/project25cap/>. The forms will be available in Adobe PDF format. The supplier may complete the forms electronically or by hand. The completed forms may then be submitted via fax, e-mail, or mail to the Office for Interoperability and Compatibility P25 CAP Program Manager.

BILLING CODE 9111-14-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5273-N-01]

Disaster Housing Assistance Program (DHAP) for Hurricane Ike (DHAP-Ike)

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: This document provides notice that HUD and the Federal Emergency Management Agency (FEMA) have executed an Interagency Agreement under which HUD shall act as the servicing agency of DHAP-Ike commencing November 1, 2008. DHAP-Ike is a joint initiative undertaken by HUD and FEMA to provide monthly rental assistance, case management services, security deposit, and utility deposit assistance for certain families displaced from their homes by Hurricane Ike or Hurricane Gustav. The operating requirements for the DHAP-Ike are found in HUD Notice PIH 2008-38, issued October 14, 2008. HUD Notice PIH 2008-38 and related program information on the DHAP-Ike is available on HUD's Web site at <http://www.hud.gov/offices/pih/publications/ike.cfm>.

To be eligible for DHAP-Ike, a family must have been displaced by Hurricane Ike or Hurricane Gustav, determined eligible for DHAP-Ike assistance by FEMA and referred to HUD by FEMA. Initially there are no income eligibility requirements for DHAP-Ike assistance. However, only families with housing costs that exceed 30 percent of the family's monthly income are eligible for continued DHAP-Ike rental assistance and case management services after the earlier of July 31, 2009, or 6 months following the effective date of the Disaster Rent Subsidy Contract executed on behalf of the family.

HUD will invite public housing agencies (PHAs) that currently administer DHAP to administer DHAP-Ike in their jurisdiction based on several factors such as where the DHAP-Ike eligible families are currently residing or have indicated they wish to receive DHAP-Ike assistance.

DHAP-Ike is a temporary assistance program and will terminate with the March 2010 subsidy payment.
