This final rule removes Section 806 of Public Law 102–190, Payment Protections for Subcontractors and Suppliers, from the lists at DFARS 212.503 and 212.504, since this law was added to the lists at FAR 12.503 and 12.504 in the final rule published at 73 FR 54007 on September 17, 2008. This rule also amends DFARS 212.504 to remove the paragraphs that were designated as “Reserved.”

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule will not have a significant cost or administrative impact on contractors or offerors, or a significant effect beyond the internal operating procedures of DoD. Therefore, publication for public comment under 41 U.S.C. 418b is not required. However, DoD will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2006–D021.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

Defense Federal Acquisition Regulation Supplement; Para-Aramid Fibers and Yarns Manufactured in a Qualifying Country (DFARS Case 2008–D024)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Interim rule with request for comments.

SUMMARY: DoD has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement a determination made by the Under Secretary of Defense for Acquisition, Technology, and Logistics with regard to the acquisition of items containing para-aramid fibers and yarns manufactured in a foreign country. The determination authorizes DoD to acquire articles containing para-aramid fibers and yarns manufactured in foreign countries that have entered into a defense memorandum of understanding with the United States.

DATES: Effective date: December 18, 2008.

Comment date: Comments on the interim rule should be submitted in writing to the address shown below on or before February 17, 2009, to be considered in the formation of the final rule.

ADDRESSES: You may submit comments, identified by DFARS Case 2008–D024, using any of the following methods:

2. E-mail: dfars@osd.mil. Include DFARS Case 2008–D024 in the subject line of the message.

Comments received generally will be posted without change to http://www.regulations.gov, including any personal information provided.

FOR FURTHER INFORMATION CONTACT: Ms. Amy Williams, 703–602–0328.

SUPPLEMENTARY INFORMATION:

A. Background

This interim rule amends DFARS text addressing the acquisition of para-aramid fibers and yarns to implement the Under Secretary’s August 15, 2008 determination. In addition, the rule clarifies the definition of “qualifying country” at DFARS 225.003 and 252.225–7012 by including a list of the qualifying countries within the definition instead of referring to the list at DFARS 225.872–1.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because small entities normally are not involved in the production of para-aramid fibers and yarns. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD will also consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2008–D024.
C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements the determination made by the Under Secretary of Defense for Acquisition, Technology, and Logistics on August 15, 2008, that procuring articles that contain only domestic para-aramid fibers and yarns would result in sole-source contracts or subcontracts for such fibers and yarns; such sole-source contracts or subcontracts would not be in the best interest of the Government, except as specifically justified and approved consistent with 10 U.S.C. 2304; and all qualifying countries listed at DFARS 225.872–1 permit the United States firms that manufacture para-aramid fibers and yarns to compete with foreign firms for the sale of para-aramid fibers and yarns in that country.

Comments received in response to this interim rule will be considered in the formation of the final rule.
