SUPPLEMENTARY INFORMATION:

I. Abstract

The Minority Business Development Agency (MBDA) is the only federal agency created exclusively to foster the establishment and growth of minority-owned businesses in the United States. For this purpose, a minority-owned business must be owned or controlled by one or of the following persons or groups of persons: African American, American Indian, Alaska Native, Asian, Hispanic, Native Hawaiian, Pacific Islander, Asian Indian, and Hasidic Jew. MBDA actively promotes the growth and competitiveness of large, medium, and small minority business enterprises by offering management and technical assistance through a network of regional and local business centers throughout the United States.

One of MBDA's largest initiatives is the annual Regional and National Minority Enterprise Development (MED) Week Conferences. The conferences recognizes the role that minority entrepreneurs play in building the Nation's economy through the creation of jobs, products and services, in addition to supporting their local communities. It includes the private, non-profit, and government sectors and provides a venue to discuss critical business issues affecting minority business as well as strategies to foster the growth and competitiveness of the minority business community. The MED Week Awards Program is a key element of the conferences and celebrates the outstanding achievements of minority entrepreneurs. MBDA may make awards in the following categories: Minority Construction Firm of the Year, Minority Manufacturer of the Year, Minority Service Firm of the Year, Minority Technology Firm of the Year, Minority Supplier Distributer of the Year, Advocate of the Year, Media Award, Distinguished Supplier Diversity Award, Access to Capital Award, Ronald H. Brown Leadership Award, and the Abe Venable Legacy Award for Lifetime Achievement. All awards with the exception of the Ronald H. Brown Leadership Award and the Abe Venable Legacy Award for Lifetime Achievement will be presented at both MBDA Regional and National MED Weeks. The Ronald H. Brown Leadership Award and the Abe Venable Legacy Award for Lifetime Achievement will be presented only at National MED Week.

Nominations for these awards are open to the public. MBDA must collect two types of information: (a) Information identifying the nominee and nominator, and (b) information explaining why the nominee should be given the award. The information will be used to determine those applicants best meeting the preannounced evaluation criterion. Use of a nomination form standardizes and limits the information collected as part of the nomination process. This makes the competition fair and eases the burden on applicants and reviewers. Participation in the MED Week Awards Program competition is voluntary and the awards are strictly honorary.

The form may be submitted electronically or paper format.
