(h) Know How To Obtain General Assistance With Other Federal Regulations

The Office of Management and Budget, in conjunction with the U.S. Small Business Administration, publishes a one-stop Internet resource to make it easier for fabricating manufacturers and importers to understand Federal regulations, including those administered by NHTSA. This Web site provides a point of contact at each agency to answer specific questions.⁶⁶ See: <http://www.business.gov/contacts/federal/>.

⁶⁶ The Small Business Paperwork Relief Act of 2002 (SBPRA) requires each Federal agency to establish a point of contact to act as a liaison between the agency and small businesses. In addition, SBPRA requires the Office of Management and Budget (OMB), in conjunction with the Small Business Administration, to publish on the Internet a list of compliance assistance resources available at Federal agencies for small businesses.

U.S. Customs and Border Protection (CBP), an agency of the U.S. Department of Homeland Security, has also published "Importing into the United States: A Guide for Commercial Importers," which provides wide-ranging information about the importing process and import requirements. See: <http://www.cbp.gov/xp/cgov/toolbox/publications/trade/>.

The Confidential Information Protection and Statistical Efficiency Act of 2002 (44 U.S.C. 3501), requires a statistical agency to clearly identify information it collects for non-statistical purposes. BTS hereby notifies the respondents and the public that BTS uses the information it collects under this OMB approval for non-statistical purposes including, but not limited to, publication of both Respondent's identity and its data, submission of the information to agencies outside BTS for review, analysis and possible use in
