

review within 245 days after the last day of the anniversary month of an order for which a review is requested. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 365 days.

Extension of Time Limit for Preliminary Results

The Department requires additional time to review and analyze the responses in this administrative review. Moreover, the Department requires additional time to analyze complex issues related to surrogate value selections. Because the Department requires additional time to analyze the information, it is not practicable to complete this review within the anticipated time limit (*i.e.* December 22, 2008). Therefore, the Department is extending the time limit for completion of the preliminary results by an additional eight days (for a total extension of 120 days) to not later than December 30, 2008, in accordance with section 751(a)(3)(A) of the Act.

We are issuing this notice in accordance with sections 751(a)(3)(A) of the Act.

Dated: December 22, 2008.

Extension of Time Limit for Final Results

Under 19 CFR 351.216(e), the Department will issue the final results of a CCR within 270 days after the date on which the Department initiates the changed circumstances review. Currently, the final results of the AD CCR, which cover Lensi, a producer/exporter of pasta from Italy, and AIPC, Lensi's corporate parent and importer of subject merchandise produced by Lensi, are due by December 22, 2008. As explained above, the Department has placed certain information regarding Lensi on the record of the AD CCR. The Department finds that it requires additional time to review the new factual information contained in the October 17, 2008 submission of Lensi and AIPC. Therefore, in order to have sufficient time to review the new factual information placed on the record of the AD CCR, we are extending the due date of the final results of the AD CCR by 11 days in accordance with 19 CFR 351.302(b). Therefore, the final results of the AD CCR are now due no later than January 2, 2009.

This notice is issued and published in accordance with sections 751(b) and 777(i) of the Tariff Act of 1930, as amended.

SUMMARY: On November 28, 2008, the Department of Commerce ("the Department") received a request for a new shipper review of the antidumping duty order on circular welded non-alloy steel pipe from the Republic of Korea ("Korea"). In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(d), we are initiating an antidumping new shipper review of A-JU Besteel Co., Ltd. ("Ajubesteel") for the period November 1, 2007 through October 31, 2008.

EFFECTIVE DATE: December 31, 2008.

FOR FURTHER INFORMATION CONTACT: Shane Subler or Joe Shuler, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0189 or (202) 482-1293, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department received a timely request from Ajubesteeel, in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on circular welded non-alloy steel pipe from Korea, which has a November anniversary month.¹ Pursuant to 19 CFR 351.214(b), Ajubesteeel certified that it is both an exporter and producer of the subject merchandise, that it did not export subject merchandise to the United States during the period of investigation ("POI") (April 1, 1991, through September 30, 1991), and that since the investigation was initiated, it has never been affiliated with any exporter or producer who exported the subject merchandise to the United States during the POI. Ajubesteeel also submitted documentation establishing the date on which the subject merchandise was first entered for consumption, the volume shipped, and the date of its first sale to an unaffiliated customer in the United States.

Initiation of New Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d), we are initiating a new shipper review of the antidumping duty order on Circular Welded Non-Alloy Steel Pipe from Korea (produced and exported) by Ajubesteeel. See Memorandum to the File through Susan Kuhbach, Director, AD/CVD Operations Office 1, Import Administration from the Team, "New Shipper Review Initiation Checklist," dated December 12, 2008, on file in the Central Records Unit, room 1117, of the main Department of Commerce building. This review covers the period from November 1, 2007 through October 31, 2008, in accordance with 19 CFR 351.214(g)(1)(i)(A). We intend to issue the preliminary results of this review no later than 180 days after the date on which this review is initiated, and the

final results within 90 days after the date on which we issue the preliminary results. See section 751(a)(2)(B)(iv) of the Act.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new-shipper reviews. Therefore, the posting of a bond under section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e) in lieu of a cash deposit is not available in this case. Importers of subject merchandise manufactured and exported by Ajubesteeel must continue to pay a cash deposit of estimated antidumping duties on each entry of subject merchandise at the current all-others rate of 4.80 percent. See *Circular Welded Non-Alloy Steel Pipe From the Republic of Korea; Final Results of Administrative Review*, 69 FR 32492 (June 10, 2004).

Interested parties may submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d).

Certain Lined Paper Products from the People's Republic of China: Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 31, 2008.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-3797.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2007, the U.S. Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on certain lined paper products from the People's Republic of China, covering the period April 17, 2006 to August 31, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 61621 (October 31, 2007). On October 7, 2008, the Department published the preliminary results of this review. See *Certain Lined Paper Products from the People's Republic of China: Notice of Preliminary Results of the Antidumping Duty Administrative Review*, 73 FR 58540 (October 7, 2008). The final results of this review are currently due no later than February 4, 2009.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because several technical issues have arisen. The mandatory respondent and its suppliers have complex cost allocation issues, which require the Department to further clarify and analyze a significant amount of information associated with the factors of production and manufacturing costs. Thus, additional time is necessary to complete the final results. Therefore, the Department is fully extending the final results by 60 days. The final results are now due not later than April 5, 2009. As this date falls on a Sunday, the final results are due April 6, 2009. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).
