

human remains were removed from the Island of Kauai, HI.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

This notice corrects a Notice of Inventory Completion published in the **Federal Register** on August 13, 2007, (FR Doc E7-15822, Page 45269), by amending the list of Native Hawaiian Organizations determined to be culturally affiliated with the human remains removed from sites on the Island of Kauai.

In the **Federal Register** of August 13, 2007, the notice is corrected by substituting the following for paragraphs 10 and 11:

Officials of the Bishop Museum have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of a minimum of six individuals of Native Hawaiian ancestry. Officials of the Bishop Museum also have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native Hawaiian human remains and Hui Malama I Na Kupuna O Hawaii Nei and Kauai/Niihau Island Burial Council. Based upon information provided regarding geographical relationship and kinship traditions, Bishop Museum has determined the Kauai/Niihau Island Burial Council to be the most appropriate claimant.

Representatives of any other Indian tribe or Native Hawaiian organization that believes itself to be culturally affiliated with the human remains should contact Betty Lou Kam, Vice President, Cultural Resources, Bishop Museum, 1525 Bernice Street, Honolulu, HI 96817, telephone (808) 808-4144, before February 2, 2009. Repatriation of the human remains to the Kauai/Niihau Island Burial Council may proceed after that date if no additional claimants come forward.

The Bishop Museum is responsible for notifying Hui Malama I Na Kupuna O Hawaii Nei and Kauai/Niihau Island Burial Council that this notice has been published.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 332-505]

Use of the "First Sale Rule" for Customs Valuation of U.S. Imports

AGENCY: United States International Trade Commission.

ACTION: Institution of investigation.

SUMMARY: Pursuant to section 15422(c)(1) of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110-234) and section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)), the Commission has instituted investigation No. 332-505, *Use of the "First Sale Rule" for Customs Valuation of U.S. Imports*, for the purpose of preparing the report required by section 15422(c)(1).

DATES:

April 30, 2009: Deadline for filing written submissions.

February 2010: Anticipated transmittal of Commission report to Congress.

ADDRESSES: All Commission offices, including the Commission's hearing rooms, are located in the United States International Trade Commission Building, 500 E Street SW., Washington, DC. All written submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://www.usitc.gov/secretary/edis.htm>.

FOR FURTHER INFORMATION CONTACT: For information specific to this investigation, contact project leader Michael Ferrantino (202-205-3241 or michael.ferrantino@usitc.gov) or deputy project leader Nannette Christ (202-205-3263 or nannette.christ@usitc.gov). For information on the legal aspects of this investigation, contact William Gearhart of the Commission's Office of the General Counsel (202-205-3091 or william.gearhart@usitc.gov). The media should contact Margaret O'Laughlin, Office of External Relations (202-205-1819 or margaret.olaughlin@usitc.gov). Hearing-impaired individuals may obtain information on this matter by contacting the Commission's TDD terminal at 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet site (<http://www.usitc.gov>). Persons with mobility impairments who will need special assistance in gaining access to the Commission should

contact the Office of the Secretary at 202-205-2000.

Background: Section 15422(c)(1) of the Food, Conservation, and Energy Act of 2008 ("2008 Act"), enacted on May 22, 2008, requires the Commission to submit a report to the House Committee on Ways and Means and the Senate Committee on Finance that contains certain customs transaction valuation information compiled by the Commission from information furnished to the Commission by the Commissioner of U.S. Customs and Border Protection (CBP). Section 15422(c)(2) requires that the Commission include the following information in its report:

(1) The aggregate number of importers that declare the transaction value of the imported merchandise is determined on the basis of the method described in section 15422(a)(2) of the 2008 Act, including a description of the frequency of the use of such method;

(2) The tariff classification of such imported merchandise under the Harmonized Tariff Schedule of the United States (HTS) on an aggregate basis, including an analysis of the tariff classification of such imported merchandise on a sectoral basis;

(3) The aggregate transaction value of such imported merchandise, including an analysis of the transaction value of such imported merchandise on a sectoral basis; and

(4) The aggregate transaction value of all merchandise imported into the United States during the 1-year period specified in section 15422(a)(3).

To assist the Commission in preparing its report, section 15422(b) of the 2008 Act requires that the Commissioner of CBP provide monthly reports to the Commission, covering the period August 20, 2008–August 19, 2009, that include (1) the number of importers that declare the transaction value of the imported merchandise is determined on the basis of first or earlier sale, (2) the tariff classification of such imported merchandise under the HTS, and (3) the transaction value of such imported merchandise. The 2008 Act requires the Commission to submit its report 90 days after receipt of the final monthly report from CBP. The Commission expects to receive the final monthly report from CBP in November 2009 and therefore expects to transmit its report to the committees in February 2010.

The Commission has also instituted this investigation under section 332(g) of the Tariff Act of 1930 to facilitate docketing of submissions and public access to Commission records through the Commission's EDIS electronic records system.

Written Submissions: The Commission does not plan to hold a public hearing in the course of this investigation. Interested parties are, however, invited to submit written statements containing information and their views. All such statements should be addressed to the Secretary and should be received not later than 5:15 p.m., April 30, 2009. All statements must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8), which requires that a signed original (or a copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the rules (see *Handbook for Electronic Filing Procedures*, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf); persons with questions regarding electronic filing should contact the Office of the Secretary at 202-205-2000.

Any submission that contains confidential business information must also conform with the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available in the Office of the Secretary for inspection by interested parties.

The Commission anticipates that the report it sends to the committees in this investigation will be made available to the public in its entirety. Consequently, the report that the Commission sends to the committees will not contain any confidential business information. Any confidential business information received by the Commission in this investigation and used in preparing its report will not be published in a manner that would reveal the operations of the firm supplying the information.

Issued: December 29, 2008.

By order of the Commission.
Marilyn R. Abbott,
Secretary to the Commission.

DEPARTMENT OF LABOR

Occupational Safety and Health Administration

[Docket No. OSHA-2008-0043]

Addenda to the Memorandum of Understanding: To Formalize the Working Relationship Between the Department of Energy and the Department of Labor

AGENCY: The Department of Labor; Occupational Safety and Health Administration (OSHA).

ACTION: Addenda to Memorandum of Understanding between the Department of Labor and the Department of Energy: (1) the construction of the Theory and Computing Sciences (TCS) building at the Argonne National Laboratory in Illinois; transfer of employee safety and health authority from the Department of Energy (DOE) to the Occupational Safety and Health Administration (OSHA); (2) the operations of six existing buildings and support facilities at the East Tennessee Technology Park in Oak Ridge, Tennessee; transfer of employee safety and health authority from DOE to the Tennessee Occupational Safety and Health Administration.

SUMMARY: This document is a notice of addenda to the August 28, 1992 interagency Memorandum of Understanding (MOU) between the U.S. Department of Labor and the U.S. Department of Energy. That MOU states that DOE has exclusive authority over the occupational safety and health of contractor employees at DOE Government-Owned and Contractor-Operated facilities (GOCOs). In addition, the MOU between the departments dated July 25, 2000, on safety and health enforcement at privatized facilities and operations provides that OSHA has regulatory authority over occupational safety and health at certain privatized facilities and operations on DOE land leased to private enterprises. This action is taken in accordance with the MOU of July 25, 2000, which establishes specific interagency procedures for the transfer of occupational safety and health coverage for such privatized facilities and operations from DOE to OSHA and state agencies acting under state plans approved by OSHA pursuant to section

18 of the Occupational Safety and Health Act of 1970 (OSH Act), 29 U.S.C. 667. The MOUs may be found on the internet via the OSHA Web page <http://www.osha.gov> under the "D" for Department of Energy Transition Activities.

DATES: The effective date for the publication of this notice January 2, 2009.

FOR FURTHER INFORMATION: Contact Ms. MaryAnn Garrahan, Office of Technical Programs and Coordination Activities, Room N-3655, OSHA, U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210. Telephone (202) 693-2110; fax (202-693-1644). Access electronic copies of this notice at OSHA's Web site, <http://www.osha.gov>, by selecting **Federal Register**, "Date of Publication," and then "2008."

SUPPLEMENTARY INFORMATION: The U.S. Department of Energy (DOE) and the Occupational Safety and Health Administration (OSHA) of the U.S. Department of Labor (DOL) entered into a Memorandum of Understanding (MOU) on August 10, 1992, delineating regulatory authority over the occupational safety and health of contractor employees at DOE government-owned or leased, contractor-operated (GOCO) facilities. In general, the memorandum of understanding recognizes that DOE exercises statutory authority under section 161(f) of the Atomic Energy Act of 1954, as amended, [42 U.S.C. 2201(f)], relating to the occupational safety and health of private-sector employees at these facilities.

Section 4(b)(1) of the Occupational Safety and Health Act of 1970, 29 U.S.C. 653(b)(1), exempts from OSHA authority working conditions with respect to which other federal agencies have exercised statutory authority to prescribe or enforce standards or regulations affecting occupational safety or health. The 1992 MOU acknowledges DOE's extensive regulation of contractor health and safety which requires contractor compliance with all OSHA standards as well as additional requirements prescribed by DOE, and concludes with an agreement by the agencies that the provisions of the Occupational Safety and Health Act will not apply to GOCO sites for which DOE has exercised its authority to regulate occupational safety and health under the Atomic Energy Act.

In light of DOE's policy emphasis on privatization activities, OSHA and DOE entered into a second Memorandum of Understanding on July 25, 2000; that establishes interagency procedures to address regulatory authority for
