

Agreement. Applicants state that participation by the Top-Tier Funds, the Underlying Funds and the Advisers in the proposed Special Servicing Agreement is consistent with the provisions, policies and purposes of the Act, and that the terms of the Special Servicing Agreement and the conditions set forth below will ensure that no participant participates on a basis less advantageous than that of other participants.

Applicants' Conditions

Applicants agree that any order granting the requested relief shall be subject to the following conditions:

1. No Fund will enter into a Special Servicing Agreement unless the Special Servicing Agreement: (a) Precisely describes the services provided to the Top-Tier Funds and the Underlying Fund Payments; (b) provides that no affiliated person of the Top-Tier Funds, or affiliated person of such person, will receive, directly or indirectly, any portion of the Underlying Fund Payments, except for bona fide transfer agent services approved by the Board of the Underlying Fund, including a majority of the Independent Trustees; (c) provides that the Underlying Fund Payments may not exceed the amount of actual expenses incurred by the Top-Tier Funds; (d) provides that no Underlying Fund will reimburse transfer agent expenses of a Top-Tier Fund, including sub-accounting expenses and other out-of-pocket expenses, at a rate in excess of the average per account transfer agent expenses of the Underlying Fund, including sub-accounting expenses and other out-of-pocket expenses, expressed as a basis point charge (for purposes of calculating the Underlying Fund's average per account transfer agent expense the Top-Tier Fund's investment in the Underlying Fund will be excluded); and (e) has been approved by the Fund's Board, including a majority of the Independent Trustees, as being in the best interests of the Fund and its shareholders and not involving overreaching on the part of any person concerned.

2. In approving a Special Servicing Agreement, the Board of an Underlying Fund will consider, without limitation: (a) The reasons for the Underlying Fund's entering into the Special Servicing Agreement; (b) information quantifying the Underlying Fund Benefits; (c) the extent to which investors in the Top-Tier Fund could have purchased shares of the Underlying Fund; (d) the extent to which an investment in the Top-Tier Fund represents or would represent a

consolidation of accounts in the Underlying Funds, through exchanges or otherwise, or a reduction in the rate of increase in the number of accounts in the Underlying Funds; (e) the extent to which the expense ratio of the Underlying Fund was reduced following investment in the Underlying Fund by the Top-Tier Fund and the reasonably foreseeable effects of the investment by the Top-Tier Fund on the Underlying Fund's expense ratio; (f) the reasonably foreseeable effects of participation in the Special Servicing Agreement on the Underlying Fund's expense ratio; and (g) any conflicts of interest that the Advisers, any affiliated person of the Advisers, or any other affiliated person of the Underlying Fund may have relating to the Underlying Fund's participation in the Special Servicing Agreement.

3. Prior to approving a Special Servicing Agreement on behalf of an Underlying Fund, the Board of the Underlying Fund, including a majority of the Independent Trustees, will determine that: (a) The Underlying Fund Payments under the Special Servicing Agreement are expenses that the Underlying Fund would have incurred if the shareholders of the Top-Tier Fund had instead purchased shares of the Underlying Fund through the same broker-dealer or other financial intermediary; (b) the amount of the Underlying Fund Payments is less than the amount of Underlying Fund Benefits; and (c) by entering into the Special Servicing Agreement, the Underlying Fund is not engaging, directly or indirectly, in financing any activity which is primarily intended to result in the sale of shares issued by the Underlying Fund.

4. In approving a Special Servicing Agreement, the Board of a Fund will request and evaluate, and the Advisers and FTS will furnish, such information as may reasonably be necessary to evaluate the terms of the Special Servicing Agreement and the factors set forth in condition 2 above, and make the determinations set forth in conditions 1 and 3 above.

5. Approval by the Fund's Board, including a majority of the Independent Trustees, in accordance with conditions 1 through 4 above, will be required at least annually after the Fund's entering into a Special Servicing Agreement and prior to any material amendment to a Special Servicing Agreement.

6. To the extent Underlying Fund Payments are treated, in whole or in part, as a class expense of an Underlying Fund, or are used to pay a class-based expense of a Top-Tier Fund, conditions 1 through 5 above must be met with

respect to each class of a Fund as well as the Fund as a whole.

7. Each Fund will maintain and preserve the Board's findings and determinations set forth in conditions 1 and 3 above, and the information and considerations on which they were based, for the duration of the Special Servicing Agreement, and for a period not less than six years thereafter, the first two years in an easily accessible place.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on Wednesday, January 7, 2009 at 10 a.m., in the Auditorium, Room L-002.

The subject matter of the Open Meeting will be:

Item 1: The Commission will hear oral argument on an appeal by Gary M. Kornman from an initial decision of an administrative law judge barring him from associating with any broker, dealer, or investment adviser. The law judge based her decision to impose associational bars on Kornman's having been criminally convicted of making a false statement to the Commission in violation of 18 U.S.C. 1001. Issues likely to be considered include whether it is in the public interest to bar Kornman from association with any broker, dealer, or investment adviser.

Item 2: The Commission will hear oral argument on an appeal by Nature's Sunshine Products, Inc. ("Nature's Sunshine" or the "Company") from an initial decision of an administrative law judge. The law judge found that Nature's Sunshine had violated Section 13(a) of the Securities Exchange Act of 1934 and Exchange Act Rules 13a-1 and 13a-13 by failing to file any annual report on Form 10-K since filing its Form 10-K for the year ended December 31, 2004, and by failing to file any quarterly report on Form 10-Q with financial statements that had been reviewed by a registered independent public accounting firm since filing its Form 10-Q for the quarter ended June 30, 2005. Issues likely to be considered include whether it is necessary or appropriate for the protection of investors to revoke the registration of Nature's Sunshine's common stock.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please

contact: The Office of the Secretary at (202) 551-5400.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59188; File No. SR-CBOE-2008-133]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Trades for Less Than \$1

December 30, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 30, 2008, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is amending its accommodation liquidation procedures to allow transactions to take place at a price that is below \$1 per option contract. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal>), at the Exchange's Office of the Secretary and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed

any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Cabinet trading is generally conducted in accordance with the Exchange Rules, except as provided in Exchange Rule 6.54, Accommodation Liquidations (Cabinet Trades), which sets forth specific procedures for engaging in cabinet trades. Rule 6.54 currently provides for cabinet transactions to occur via open outcry at a cabinet price of a \$1 per option contract in any options series open for trading in the Exchange, except that the Rule is not applicable to trading in option classes participating in the Penny Pilot Program. Under the procedures, bids and offers (whether opening or closing a position) at a price of \$1 per option contract may be represented in the trading crowd by a Floor Broker or by a Market-Maker or provided in response to a request by a PAR Official/OBO, a Floor Broker or a Market-Maker, but must yield priority to all resting orders in the PAR Official/OBO cabinet book (which resting cabinet book orders may be closing only). So long as both the buyer and the seller yield to orders resting in the cabinet book, opening cabinet bids can trade with opening cabinet offers at \$1 per option contract.

The purpose of this rule change is to temporarily amend the procedures through January 30, 2009 to allow transactions to take place in open outcry at a price of at least \$0 but less than \$1 per option contract.⁵ These lower priced transactions would be traded pursuant to the same procedures applicable to \$1 cabinet trades, except that (i) bids and offers for opening transactions would only be permitted to accommodate closing transactions in order to limit use of the procedure to liquidations of existing positions, and (ii) the procedures would also be made available for trading in option classes participating in the Penny Pilot

³ 15 U.S.C. 78s(b)(3)(A)(iii).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ The Exchange notes that in certain circumstances transactions can already take place off the Exchange floor at less than \$1 per option contract (e.g., Exchange Rule 6.49, Transactions Off the Exchange).
