DEPARTMENT OF HOMELAND SECURITY

Customs and Border Protection

[Docket No. USCBP-2008-0112]

Enhanced Bonding Requirement for Certain Shrimp Importers

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Notice of proposed modification; request for comments.

SUMMARY: This notice proposes to end the designation of shrimp subject to antidumping or countervailing duty orders as a special category or covered case subject to an enhanced bonding requirement (EBR). A recent World Trade Organization (WTO) Appellate Body Report has found that CBP's application of this requirement to shrimp from Thailand and India is inconsistent with U.S. WTO obligations. In response to this report, CBP proposes to end the designation of shrimp subject to antidumping or countervailing duty orders as a special category or covered case subject to the EBR. CBP proposes that shrimp importers affected by this requirement may request termination of any existing continuous bonds pursuant to 19 CFR 113.27(a) and submit a new bond application pursuant to 19 CFR 113.12(b). CBP seeks comment on this proposal.

DATES: Comments must be received on or before February 11, 2009.

SUPPLEMENTARY INFORMATION:

Public Participation

Interested persons are invited to participate in this rulemaking by submitting written data, views, or arguments on all aspects of the proposed rule. Customs and Border Protection (CBP) also invites comments that relate to the economic, environmental, or federalism effects that might result from this proposal. Comments that will provide the most assistance will reference a specific portion of the proposal, explain the reason for any recommended change, and include data, information, or authority that support such recommended change.

Background

A key CBP mission is to collect all import duties determined to be due to the United States. Under CBP statutes and regulations, release of merchandise prior to the determination of all duties that may be owed is ordinarily permitted, provided the importer posts a bond or other security to insure payment of duties and compliance with other applicable laws and regulations. The final assessment of duties occurs at liquidation of the entry.

In the case of goods subject to antidumping (AD) or countervailing (CV) duties, CBP follows instructions from the Department of Commerce (DOC) (which administers the AD/CV duty laws in conjunction with the U.S.

International Trade Commission) regarding the applicable AD/CV duty rate, and collects any additional duties owed upon liquidation. However, CBP has found that many importers subject to AD/CV duties fail to pay the additional duties determined to be due at liquidation. As a result, since defaults for AD/CV duty supplemental bills have increased drastically, CBP conducted an internal policy review of revenue protection strategies at CBP.

Issuance of CBP's Enhanced Bonding Requirement (EBR)

In response to importers' increasing failure to pay additional duties determined to be due at liquidation, CBP reconsidered the general bond formula which provides that the minimum continuous bond may be in an amount equal to the greater of \$50,000 or ten percent of the amount of the previous year's duties, taxes and fees. In order to address the growing collection problem, CBP announced an enhanced customs bonding requirement (EBR) for those continuous bonds that secure the importer's promise to pay all duties finally determined to be due on certain merchandise subject to an AD/CV duty order. See "Monetary Guidelines for Setting Bond Amounts for Importations Subject to Enhanced Bonding Requirements", 71 FR 62276 (October 24, 2006).

Application of CBP EBR

Application of the EBR has been limited to merchandise subject to the first antidumping orders involving agriculture and aquaculture merchandise imposed after the issuance of the July 2004 Amendment to the Bond Guidelines.¹ CBP required that continuous bond amounts for importers of shrimp subject to AD or CV duty orders be increased to the rate established in the final AD or CV duty
