[Docket Nos. CP07-398-004; CP07-402-001]

Gulf Crossing Pipeline Company LLC; Gulf South Pipeline Company, LP; Notice of Amended Certificate

January 6, 2009.

Take notice that on December 19, 2008, Gulf Crossing Pipeline Company LLC (Gulf Crossing), and Gulf South Pipeline Company, LP (Gulf South) filed an amendment to its certificate of public convenience and necessity pursuant to section 7 (c) of the Natural Gas Act (NGA) which authorized the siting, construction, and operation of facilities on April 30, 2008. In its amendment, the applicants seek to amend an operating lease agreement between the two parties to increase the Maximum Lease Quantity Gulf Crossing leases on Gulf South from 1.05 Bcf/day to 1.1 Bcf/day, and to add primary delivery points, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The Commission staff will determine if this amendment will have an effect on the schedule for the environmental review of this project. If necessary, a revised Notice of Schedule for Environmental Review will be issued within 90 days of this Notice. The instant filing may be

Any questions regarding this application may be directed to Nell Guitierrez, Manager, Certificates and Tariffs, Boardwalk Pipeline Partners, LP, 3800 Frederica Street, Owensboro, Kentucky, 42301 or by telephone at 270-688-6825 or telecopy to 270-688-5871.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings
