

Proposed Rules

Federal Register

Vol. 74, No. 9

Wednesday, January 14, 2009

This section of the FEDERAL REGISTER contains notices to the public of the proposed issuance of rules and regulations. The purpose of these notices is to give interested persons an opportunity to participate in the rule making prior to the adoption of the final rules.

OFFICE OF PERSONNEL MANAGEMENT

5 CFR Part 532

RIN 3206-AL77

Prevailing Rate Systems; Redefinition of Certain Appropriated Fund Federal Wage System Wage Areas

AGENCY: U.S. Office of Personnel Management.

ACTION: Proposed rule with request for comments.

SUMMARY: The U.S. Office of Personnel Management (OPM) is issuing a proposed rule that would redefine the geographic boundaries of several appropriated fund Federal Wage System wage areas for pay-setting purposes. Based on recent reviews of Metropolitan Statistical Area boundaries in a number of wage areas, OPM proposes redefinitions affecting the following wage areas: Birmingham, AL; Denver, CO; Wilmington, DE; Washington, DC; Atlanta, GA; Columbus, GA; Macon, GA; Chicago, IL; Bloomington-Bedford-Washington, IN; Indianapolis, IN; Louisville, KY; Baltimore, MD; Hagerstown-Martinsburg-Chambersburg, MD; St. Louis, MO; Southern Missouri; Omaha, NE; New York, NY; Philadelphia, PA; Scranton-Wilkes-Barre, PA; Eastern South Dakota; Richmond, VA; and Milwaukee, WI.

DATES: We must receive comments on or before February 13, 2009.

ADDRESSES: Send or deliver comments to Charles D. Grimes III, Deputy Associate Director for Performance and Pay Systems, Strategic Human Resources Policy Division, U.S. Office of Personnel Management, Room 7H31, 1900 E Street, NW., Washington, DC 20415-8200; e-mail pay-performance-policy@opm.gov; or FAX: (202) 606-4264.

FOR FURTHER INFORMATION CONTACT: Madeline Gonzalez, (202) 606-2838; e-mail pay-performance-policy@opm.gov; or FAX: (202) 606-4264.

SUPPLEMENTARY INFORMATION: The U.S. Office of Personnel Management (OPM) is issuing a proposed rule to redefine the geographic boundaries of several appropriated fund Federal Wage System (FWS) wage areas. These changes are based on recommendations of the Federal Prevailing Rate Advisory Committee (FPRAC), the statutory national labor-management committee responsible for advising OPM on matters affecting the pay of FWS employees. From time to time, FPRAC reviews the boundaries of wage areas and provides OPM with recommendations for changes if the Committee finds that changes are warranted.

There are currently 132 FWS wage areas in the United States and the Commonwealth of Puerto Rico for blue-collar employees who are paid from appropriated funds. Each wage area is comprised of a survey area where a lead agency, the Department of Defense, measures local prevailing wage levels in a local labor market. Because it is not feasible to include every part of the United States in a survey area, those parts that are not in a survey area are combined with a nearby survey area to form a wage area's area of application.

OPM considers the following regulatory criteria under 5 CFR 532.211 when defining FWS wage area boundaries:

1. Distance, transportation facilities, and geographic features;
2. Commuting patterns; and
3. Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

In addition, OPM regulations at 5 CFR 532.211 do not permit splitting Metropolitan Statistical Areas (MSAs) for the purpose of defining a wage area, except in very unusual circumstances (e.g., organizational relationships among closely located Federal activities).

The Office of Management and Budget defines MSAs and maintains and updates the definitions of MSA boundaries following each decennial census. MSAs are composed of counties and are defined on the basis of a central urbanized area—a contiguous area of relatively high population density. Additional surrounding counties are included in MSAs if they have strong social and economic ties to central counties.

When the boundaries of wage areas were first established in the 1960s, there

were fewer MSAs than there are today and the boundaries of the then existing MSAs were much smaller. Most MSAs were contained within the boundaries of a wage area. MSAs have expanded each decade and in some cases now extend beyond the boundaries of the wage area.

FPRAC recently reviewed several wage areas where boundaries subdivide certain MSAs and concurred by consensus with the changes described in this proposed rule. These changes would be effective on the first day of the first applicable pay period beginning on or after 30 days following publication of the final regulations. FPRAC recommended no other changes in the geographic definitions of the wage areas.

Birmingham-Hoover, AL MSA: Bibb, Blount, Chilton, Jefferson, St. Clair, Shelby, and Walker Counties, AL, comprise the Birmingham-Hoover, AL MSA. Jefferson, St. Clair, Shelby, and Walker Counties are part of the Birmingham survey area, Bibb and Blount Counties are part of the Birmingham area of application, and Chilton County is part of the Columbus area of application. OPM proposes to redefine Chilton County to the Birmingham area of application so that the entire Birmingham-Hoover, AL MSA is in one wage area. There are currently no FWS employees working in Chilton County.

Denver-Aurora, CO MSA: Adams, Arapahoe, Broomfield, Clear Creek, Denver, Douglas, Elbert, Gilpin, Jefferson, and Park Counties, CO, comprise the Denver-Aurora, CO MSA. Adams, Arapahoe, Denver, Douglas, Gilpin, and Jefferson Counties are part of the Denver, CO, survey area and Clear Creek, Elbert, and Park are part of the Denver area of application. Broomfield County is currently undefined.

The municipality of Broomfield was incorporated in 1961 in the southeastern corner of Boulder County, CO. On November 15, 2001, Broomfield County officially separated from Boulder County and became the 64th county of Colorado. The boundaries of the City of Broomfield and the County of Broomfield are identical.

OPM proposes to define Broomfield County as part of the Denver survey area. There are three FWS employees working in Broomfield County.

Washington-Arlington-Alexandria, DC-MD-VA-WV MSA: Washington, DC; Calvert, Charles, Frederick,

Montgomery, and Prince George's Counties, MD; Arlington, Clarke, Fairfax, Fauquier, Loudoun, Prince William, Spotsylvania, Stafford, and Warren Counties, VA; Alexandria, Fairfax, Falls Church, Fredericksburg, Manassas, and Manassas Park Cities, VA; and Jefferson County, WV, comprise the Washington-Arlington-Alexandria, DC-MD-VA-WV MSA. Washington, DC; Charles, Frederick, Montgomery, and Prince George's Counties, MD; Arlington, Fairfax, Loudoun, and Prince William Counties, VA; and Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park Cities, VA; are part of the Washington survey area. Calvert and St. Mary's Counties, MD, and Fauquier, King George, and Stafford Counties, VA, are part of the Washington area of application. Spotsylvania County and Fredericksburg City, VA, are part of the Richmond area of application. Clarke and Warren Counties, VA, and Jefferson County, WV, are part of the Hagerstown-Martinsburg-Chambersburg area of application. OPM proposes to redefine Clarke, Spotsylvania, and Warren Counties, VA, Fredericksburg City, VA, and Jefferson County, WV, to the Washington area of application so that the entire Washington-Arlington-Alexandria, DC-MD-VA-WV MSA is in one wage area. There are no FWS employees working in Clarke and Spotsylvania Counties, but there are 31 FWS employees working in Warren County, 9 FWS employees working in Fredericksburg City, and 50 FWS employees working in Jefferson County.

Atlanta-Sandy Springs-Marietta, GA MSA: Barlow, Barrow, Butts, Carroll, Cherokee, Clayton, Cobb, Coweta, Dawson, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Haralson, Heard, Henry, Jasper, Lamar, Meriwether, Newton, Paulding, Pickens, Pike, Rockdale, Spalding, and Walton Counties, GA, comprise the Atlanta-Sandy Springs-Marietta, GA MSA. Butts, Cherokee, Clayton, Cobb, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Henry, Newton, Paulding, Rockdale, and Walton Counties are part of the Atlanta survey area; Bartow, Barrow, Carroll, Coweta, Dawson, Haralson, Heard, Pickens, Pike, and Spalding Counties are part of the Atlanta area of application; Jasper and Lamar Counties are part of the Macon area of application; and Meriwether County is part of the Columbus area of application. OPM proposes to redefine Jasper, Lamar, and Meriwether Counties to the Atlanta area of application so that the entire Atlanta-Sandy Springs-Marietta, GA MSA is in one wage area.

There are no FWS employees working in Jasper and Lamar Counties, but there is one FWS employee working in Meriwether County.

Chicago-Naperville-Joliet, IL-IN-WI MSA: Cook, DeKalb, DuPage, Grundy, Kane, Kendall, McHenry, and Will Counties, IL; Jasper, Lake, Newton, and Porter Counties, IN; and Lake and Kenosha Counties, WI, comprise the Chicago-Naperville-Joliet, IL-IN-WI MSA. Cook, DuPage, Kane, McHenry, and Will Counties, IL, and Lake County, WI, are part of the Chicago survey area; DeKalb, Grundy, and Kendall, IL, and Jasper, Lake, Newton, and Porter Counties, IN, are part of the Chicago area of application; and Kenosha County, WI, is part of the Milwaukee area of application. OPM proposes to redefine Kenosha County to the Chicago area of application so that the entire Chicago-Naperville-Joliet, IL-IN-WI MSA is in one wage area. There are six FWS employees working in Kenosha County.

Indianapolis, IN MSA: Boone, Brown, Hamilton, Hancock, Hendricks, Johnson, Marion, Morgan, Putnam, and Shelby Counties, IN, comprise the Indianapolis, IN MSA. Boone, Hamilton, Hancock, Hendricks, Johnson, Marion, Morgan, and Shelby Counties are part of the Indianapolis survey area; Putnam County is part of the Indianapolis area of application; and Brown County is part of the Bloomington-Bedford-Washington area of application. OPM proposes to redefine Brown County to the Indianapolis area of application so that the entire Indianapolis, IN MSA is in one wage area. There are no FWS employees working in Brown County.

Sioux City, IA-NE-SD MSA: Woodbury County, IA, Dakota and Dixon Counties, NE, and Union County, SD, comprise the Sioux City, IA-NE-SD MSA. Woodbury County, IA, and Dakota and Dixon Counties, NE, are part of the Omaha area of application and Union County, SD, is part of the Eastern South Dakota area of application. OPM proposes to redefine Union County to the Omaha area of application so that the entire Sioux City, IA-NE-SD MSA is in one wage area. There are no FWS employees working in Union County.

Louisville, KY-IN MSA: Clark, Floyd, Harrison, and Washington County, IN, and Bullitt, Henry, Jefferson, Meade, Nelson, Oldham, Shelby, Spencer, and Trimble Counties, KY, comprise the Louisville, KY-IN MSA. Clark, and Floyd Counties, IN, and Bullitt, Jefferson, and Oldham Counties, KY, are part of the Louisville survey area; Harrison County, IN, and Henry, Meade, Nelson, Shelby, Spencer, and Trimble Counties, KY, are part of the Louisville

area of application; and Washington County, IN, is part of the Bloomington-Bedford-Washington area of application. OPM proposes to redefine Washington County to the Louisville area of application so that the entire Louisville, KY-IN MSA is in one wage area. There are no FWS employees working in Washington County.

Baltimore-Towson, MD MSA: Anne Arundel, Baltimore, Carroll, Harford, Howard, and Queen Anne's Counties, MD, and Baltimore City, MD, comprise the Baltimore-Towson, MD MSA. Anne Arundel, Baltimore, Carroll, Harford, and Howard Counties and Baltimore City are part of the Baltimore survey area and Queen Anne's County is part of the Wilmington area of application. OPM proposes to redefine Queen Anne's County to the Baltimore area of application so that the entire Baltimore-Towson, MD MSA is in one wage area. There are no FWS employees working in Queen Anne's County.

Jefferson City, MO MSA: Callaway, Cole, Moniteau, and Osage Counties, MO, comprise the Jefferson City, MO MSA. Callaway, Cole, and Osage Counties are part of the St. Louis area of application and Moniteau County is part of the Southern Missouri area of application. OPM proposes to redefine Moniteau County to the St. Louis area of application so that the entire Jefferson City, MO MSA is in one wage area. There are no FWS employees working in Moniteau County.

New York-Newark-Edison, NY-NJ-PA MSA: Bergen, Essex, Hudson, Hunterdon, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, and Union Counties, NJ; Bronx, Kings, Nassau, New York, Putnam, Queens, Richmond, Rockland, Suffolk, and Westchester Counties, NY; and Pike County, PA, comprise the New York-Newark-Edison, NY-NJ-PA MSA. Bergen, Essex, Hudson, Middlesex, Morris, Passaic, Somerset, and Union Counties, NJ, and Bronx, Kings, Nassau, New York, Queens, Suffolk, and Westchester Counties, NY, are part of the New York survey area. Monmouth, Ocean (excluding the Fort Dix Military Reservation), and Sussex Counties, NJ, and Putnam, Richmond, and Rockland Counties, NY, are part of the New York area of application. Hunterdon County, NJ, is part of the Philadelphia area of application and Pike County, PA, is part of the Scranton-Wilkes-Barre area of application. OPM proposes to redefine Hunterdon County, NJ, and Pike County, PA, to the New York area of application so that the entire New York-Newark-Edison, NY-NJ-PA MSA is in one wage area. There are no FWS employees working in Hunterdon

County, but there are five FWS employees working in Pike County.

Allentown-Bethlehem-Easton, PA-NJ MSA: Warren County, NJ, and Carbon, Lehigh, and Northampton Counties, PA, comprise the Allentown-Bethlehem-Easton, PA-NJ MSA. Warren County, NJ, and Lehigh and Northampton Counties, PA are part of the Philadelphia area of application and Carbon County, PA, is part of the Scranton-Wilkes-Barre area of application. OPM proposes to redefine Carbon County to the Philadelphia area of application so that the entire Allentown-Bethlehem-Easton, PA-NJ MSA is in one wage area. There are three FWS employees working in Carbon County.

Regulatory Flexibility Act

I certify that these regulations would not have a significant economic impact on a substantial number of small entities because they would affect only Federal agencies and employees.

List of Subjects in 5 CFR Part 532

Administrative practice and procedure, Freedom of information, Government employees, Reporting and recordkeeping requirements, Wages.

U.S. Office of Personnel Management.

Michael W. Hager,

Acting Director.

Accordingly, the U.S. Office of Personnel Management is proposing to amend 5 CFR part 532 as follows:

PART 532—PREVAILING RATE SYSTEMS

1. The authority citation for part 532 continues to read as follows:

Authority: 5 U.S.C. 5343, 5346; § 532.707 also issued under 5 U.S.C. 552.

2. Appendix C to subpart B is amended by revising the wage area listings for Birmingham, AL; Denver, CO; Wilmington, DE; Washington, DC; Atlanta, GA; Columbus, GA; Macon, GA; Chicago, IL; Bloomington-Bedford-Washington, IN; Indianapolis, IN; Louisville, KY; Baltimore, MD; Hagerstown-Martinsburg-Chambersburg, MD; St. Louis, MO; Southern Missouri; Omaha, NE; New York, NY; Philadelphia, PA; Scranton-Wilkes-Barre, PA; Eastern South Dakota; Richmond, VA; and Milwaukee, WI, to read as follows:

APPENDIX C TO SUBPART B OF PART 532—APPROPRIATED FUND WAGE AND SURVEY AREAS

BILLING CODE 6325-39-P

DEPARTMENT OF AGRICULTURE

Natural Resources Conservation Service

7 CFR Part 625

RIN 0578-AA52

Healthy Forests Reserve Program

AGENCY: Natural Resources Conservation Service (NRCS), United States Department of Agriculture (USDA).

ACTION: Proposed rule; request for comment.

SUMMARY: On May 17, 2006, NRCS published an interim final rule for the Healthy Forests Reserve Program (HFRP) and received 11 comment letters. NRCS proposes to amend this rule to incorporate changes associated with enactment of the Food, Conservation, and Energy Act of 2008 (the 2008 Act). The 2008 Act authorizes \$9,750,000 for each of the fiscal years 2009 through 2012 to carry out the program. As a result of the 2008 Act, NRCS will allow land enrollment through permanent easements, or easements for a maximum duration allowed under state law and continue to allow enrollment through 10-year cost-share agreements; and allow enrollment of land owned by tribes or members of tribes in 30-year contracts or 10-year cost-share agreements, or any combination of both. Forty percent of program expenditures in any fiscal year will be used for restoration cost-share agreement enrollment and 60 percent of program expenditures in any fiscal year will be for easement enrollment.

In addition to changes associated with the 2008 Act, NRCS is addressing comments received on the interim final rule and proposing additional changes that improve program implementation based on the experience gained from the HFRP implementation under the interim final rule.

DATES: Comments must be received on or before February 13, 2009. Comments will be made available to the public or posted publicly in their entirety.

ADDRESSES: You may send comments using any of the following methods:

Government-wide rulemaking Web site: Go to <http://www.regulations.gov> and follow the instructions for sending comments electronically.

NRCS Web site: Go to <http://www.nrcs.usda.gov> and follow the instructions for sending comments electronically.

Mail: Easements Programs Division, Natural Resources Conservation Service, Healthy Forests Reserve Program Comments, P.O. 2890, Room 6819-S, Washington, DC 20013.

Fax: 1-202-720-4265

Hand Delivery: Room 6819-S of the USDA South Office Building, 1400 Independence Avenue, SW., Washington, DC 20250, between 9 a.m. and 4 p.m., Monday through Friday, except Federal Holidays. Please ask the guard at the entrance to the South Office Building to call 202-720-4527 in order to be escorted into the building.

This proposed rule may be accessed via Internet. Users can access the NRCS homepage at <http://www.nrcs.usda.gov/>; select *Farm Bill*
