**SUPPLEMENTARY INFORMATION:** On November 13, 2008, SBA published in the **Federal Register** an interim final rule permanently adding a base rate of LIBOR for lenders to use when pricing 7(a) loans and allowing for secondary market loan pools to be formed with weighted average coupon rates. (73 FR 67099). This rule was added to help ensure continued availability of capital to small businesses and to improve liquidity in and efficiency of the secondary market for SBA loans. The original comment period ended on December 15, 2008. SBA is reopening the comment period for a limited time until April 14, 2009 in order to solicit additional comments as our lending partners and secondary market participants continue to implement the two changes allowed in the interim final rule. Some SBA partners are still updating their systems to incorporate LIBOR based loans. SBA's recently published Procedural Notice No. 5000-1081: One Month LIBOR Plus 3 Percent Allowed as SBA Base Rate (Nov. 14, 2008) and SBA Information Notice: Implementation of SBA's Addition of LIBOR Plus 3 Percent as a Base Rate (Nov. 20, 2008), both of which can be found at <http://www.sba.gov>. Additionally, procedures for weighted average coupon pools were recently released by SBA. SBA Procedural Notice
