**SUPPLEMENTARY INFORMATION:****A. Background**

Subpart 18.2 of the Federal Acquisition Regulation (FAR) provides for certain flexibilities in the execution of contracts for supplies and services that are determined by the head of the agency to be used to support a contingency operation or to facilitate defense against or recovery from nuclear, biological, chemical, or radiological attack. In accordance with the delegation of authority provision at FAR 1.108(b), this final rule adds a new section at DFARS 218.270 to authorize heads of DoD contracting activities to make the determination addressed in FAR Subpart 18.2. The rule will facilitate the use of streamlined acquisition procedures in emergency situations.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

**B. Regulatory Flexibility Act**

This rule will not have a significant cost or administrative impact on contractors or offerors, or a significant effect beyond the internal operating procedures of DoD. Therefore, publication for public comment under 41 U.S.C. 418b is not required. However, DoD will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2008-D026.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

#### SUPPLEMENTARY INFORMATION:

##### A. Background

This interim rule implements Section 847 of the National Defense

Authorization Act for Fiscal Year 2008 (Pub. L. 110–181). Section 847 requires that a DoD official, who has participated personally and substantially in a DoD acquisition exceeding \$10 million or who has held a key acquisition position, must obtain a written opinion from a DoD ethics counselor regarding the activities that the official may undertake on behalf of a DoD contractor within two years after leaving DoD service. In addition, Section 847 prohibits a DoD contractor from providing compensation to such a DoD official without first determining that the official has received or appropriately requested a post-employment ethics opinion.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

##### B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the requirement to verify that a prospective employee has received or requested the appropriate DoD ethics opinion should involve minimal effort on the part of a contractor. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2008–D007.

##### C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

##### D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements Section 847 of the National Defense Authorization Act for Fiscal Year 2008 (Pub. L. 110–181). Section 847 requires that DoD officials that have participated personally and substantially in a DoD acquisition exceeding \$10 million, or that have held certain key acquisition positions, must obtain a written opinion from the appropriate DoD ethics
