Rural Housing Service

Notice for Request for Proposals for Loan Guarantees under the Section 538 Guaranteed Rural Rental Housing Program (GRRHP) for Fiscal Year 2009

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This is a request for proposals for loan guarantees under the section 538 Guaranteed Rural Rental Housing Program (GRRHP) pursuant to 7 CFR 3565.4 for Fiscal Year (FY) 2009 subject to the availability of funding. FY 2008 funding for the section 538 program was \$129,090,000.

For FY 2009, there are approximately \$2 million in additional funds for GRRHP properties that are located in a presidentially declared disaster area. Disaster funds may be used for new construction or repair and rehabilitation. To be eligible for these disaster funds, a property must be located in a county affected by hurricanes, floods, and other natural disasters occurring during 2008 for which the President declared a major disaster under Title IV of the Robert T. Stafford and Disaster and Emergency Assistance of 1974. Applicants must notify the Rural Development contact person for the respective state, as indicated in the “Submission Address” section of this notice, that their project is located in an eligible disaster zone and that they want the project considered for these funds.

Applicants for both general program funding or disaster funds will submit proposals in the form of “RESPONSES.” The commitment of program dollars will be made to applicants of selected responses that have fulfilled the necessary requirements for obligation. Expenses incurred in developing applications will be at the applicant’s risk. The following paragraphs outline the timeframes, eligibility requirements, lender responsibilities, and the overall response and application processes.

The GRRHP operates under 7 CFR part 3565. The GRRHP Origination and Servicing Handbook (HB-1-3565) is available to provide lenders and the general public with guidance on program administration. HB-1-3565, which contains a copy of 7 CFR part 3565 in Appendix 1, can be found at the Agency’s Instructions Web site address <http://www.rurdev.usda.gov/regs/hblist.html#hbw6>.

Eligible lenders are invited to submit responses for the new construction and the acquisition with rehabilitation of affordable rural rental housing.

Also eligible is the revitalization, repair, and transfer (as stipulated in 7 CFR 3560.406) of existing direct section 515 housing (transfer costs are subject to Agency approval and must be an eligible use of loan proceeds as listed in 7 CFR 3565.205), and properties involved in the Agency’s multi-family preservation and revitalization program (MPR). Equity payments, as stipulated in 7 CFR 3560.406, in connection with the transfer of existing direct section 515 housing, are an eligible use of guaranteed loan proceeds. In order to be considered, the transfer of direct section 515 housing and MPR projects must need repairs and undergo revitalization of a minimum of \$6,500 per unit. A Section 538 guaranteed loan used in conjunction with a section 515 transfer that includes an equity payment and that qualifies for an interest credit award, will receive interest credit according to the following schedule:

Guaranteed loan amount	Maximum interest credit basis points award
Over \$1,000,000	0
\$1,000,000 or less	50
\$750,000 or less	100
\$600,000 or less	150
\$450,000 or less	200
\$300,000 or less	250

The “Maximum Interest Credit Basis Points Award” is applied to the whole loan amount, therefore a qualifying \$600,000 loan guarantee for example, would be awarded 150 interest credit basis points for the whole \$600,000 (not, 250 interest credit basis points for the first \$300,000, 200 interest credit basis points for the next \$150,000 up to \$450,000, and 150 interest credit basis points for the next \$150,000 up to \$600,000).

The Agency will review responses submitted by eligible lenders, on the lender’s letterhead, and signed by both the prospective borrower and lender. Although a complete application is not required in response to this Notice of request for proposals, eligible lenders may submit a complete application concurrently with the response. Submitting a complete application will not have any effect on the respondent’s NOFA response score.

DATES: As long as funds remain available, eligible responses to this notice will be accepted and eligible requests will be obligated per this guidance until September 28, 2009, 12:00 P.M. Eastern Time. Selected responses that develop into complete applications and meet all Federal environmental requirements will receive commitments to the extent an
