SUPPLEMENTARY INFORMATION:**Background**

This document contains corrections to final and temporary regulations (TD 9440) that were published in the **Federal Register** on Monday, December 29, 2008 (73 FR 79354) relating to the annual filing of Federal employment tax returns and requirements for employment tax deposits. The final and temporary regulations that are the subject of this document are under sections 6011 and 6302 of the Internal Revenue Code. These temporary regulations generally allow certain employers to file a Form 944, "Employer's ANNUAL Federal Tax Return", rather than Form 941, "Employer's QUARTERLY Federal Tax Return". In addition to rules related to Form 944, the temporary regulations provide an additional method for employers who file Form 941 to determine whether the amount of accumulated employment taxes is considered de minimis. The portions of this document that are final regulations provide necessary cross-references to the temporary regulations.

Need for Correction

As published, final and temporary regulations (TD 9440) contain errors that may prove to be misleading and are in need of clarification.
