I. Abstract

A recipient must request, in writing, EDA's approval to undertake an incidental use of property acquired or improved with EDA investment assistance (see 13 CFR 314.3 of EDA's regulations). This collection of

information allows EDA to determine whether an incidental use of property acquired or improved with EDA investment assistance is appropriate. If a recipient wishes for EDA to release its real property or tangible personal property interests before the expiration of the property's estimated useful life, the recipient must submit a written request to EDA and disclose to EDA the intended future use of the real property or the tangible personal property for which the release is requested (see 13 CFR 314.10 of EDA's regulations). The **Federal Register** notice published on January 12, 2009 (74 FR 1170-1173) describing the proposal adopted by the Foreign-Trade Zones Board for an Alternative Site-Designation and Management Framework is corrected as follows.
