DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

AGENCY: U.S. Census Bureau.

Title: 2008 Panel of the Survey of Income & Program Participation, Wave 3 Topical Modules.

OMB Control Number: 0607-0944.

Form Number(s): SIPP 28305(L) Director's Letter; SIPP/CAPI Automated Instrument; SIPP 28003 Reminder Card.

Type of Request: Revision of a currently approved collection.

Burden Hours: 143,303.

Number of Respondents: 94,500.

Average Hours Per Response: 30 minutes.

Needs and Uses: The U.S. Census Bureau requests authorization from the Office of Management and Budget (OMB) to conduct the Wave 3 interview for the 2008 Panel of the Survey of Income and Program Participation (SIPP). The core SIPP and reinterview instruments were previously cleared.

The SIPP represents a source of information for a wide variety of topics and allows information for separate topics to be integrated to form a single and unified database so that the interaction between tax, transfer, and other government and private policies can be examined. Government domestic policy formulators depend heavily upon the SIPP information concerning the distribution of income received directly as money or indirectly as in-kind benefits and the effect of tax and transfer programs on this distribution. They also need improved and expanded data on the income and general economic and financial situation of the U.S. population. The SIPP has provided these kinds of data on a continuing basis since 1983, permitting levels of economic well-being and changes in these levels to be measured over time.

The survey is molded around a central "core" of labor force and income questions that remain fixed throughout the life of a panel. The core is supplemented with questions designed to answer specific needs, such as estimating eligibility for government programs, examining pension and health care coverage, and analyzing individual net worth. These supplemental questions are included with the core and are referred to as "topical modules."

The topical modules for the 2008 Panel Wave 3 are Welfare Reform and Retirement and Pension. The Welfare Reform topical module was previously conducted in the SIPP 2004 Panel Wave 8 instrument. The Retirement and Pension topical module was previously conducted in the SIPP 2004 Panel Wave 7 instrument. Wave 3 interviews will be conducted from May 1, 2009 through August 31, 2009.

The SIPP is designed as a continuing series of national panels of interviewed households that are introduced every few years, with each panel having durations of approximately 3 to 4 years. The 2008 Panel is scheduled for four years and four months and includes thirteen waves which began September 1, 2008. All household members 15

years old or over are interviewed using regular proxy-respondent rules. They are interviewed a total of thirteen times (thirteen waves), at 4-month intervals, making the SIPP a longitudinal survey. Sample people (all household members present at the time of the first interview) who move within the country and reasonably close to a SIPP primary sampling unit (PSU) will be followed and interviewed at their new address. Individuals 15 years old or over who enter the household after Wave 1 will be interviewed; however, if these people move, they are not followed unless they happen to move along with a Wave 1 sample individual.

The OMB has established an Interagency Advisory Committee to provide guidance for the content and procedures for the SIPP. Interagency subcommittees were set up to recommend specific areas of inquiries for supplemental questions.

The Census Bureau developed the 2008 Panel Wave 3 topical modules through consultation with the SIPP OMB Interagency Subcommittee. The questions for the topical modules address major policy and program concerns as stated by this subcommittee and the SIPP Interagency Advisory Committee.

Data provided by the SIPP are being used by economic policymakers, the Congress, state and local governments, and federal agencies that administer social welfare or transfer payment programs, such as the Department of Health and Human Services and the Department of Agriculture.

Affected Public: Individuals or Households.

Frequency: Every 4 months.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13, United States Code, Section 182.

OMB Desk Officer: Brian Harris-Kojetin, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Brian Harris-Kojetin, OMB Desk Officer either by fax (202-395-7245) or e-mail (bharrisk@omb.eop.gov).

Dated: January 14, 2009.

Management Analyst, Office of the Chief Information Officer.
