#### SUPPLEMENTARY INFORMATION:

##### I. Background

In accordance with section 10(a) of the Federal Advisory Committee Act, this notice announces the quarterly meeting of the Practicing Physicians Advisory Council (the Council). The Secretary of Health and Human Services (the Secretary) is mandated by section 1868(a)(1) of the Social Security Act (the Act) to appoint a Practicing Physicians Advisory Council based on nominations submitted by medical organizations representing physicians. The Council meets quarterly to discuss certain proposed changes in regulations and manual instructions related to physician services, as identified by the Secretary. To the extent feasible and consistent with statutory deadlines, the Council's consultation must occur before **Federal Register** publication of the proposed changes. The Council submits an annual report on its recommendations to the Secretary and the Administrator of the Centers for Medicare & Medicaid Services (CMS) not later than December 31 of each year.

The Council consists of 15 physicians, including the Chair. Members of the Council include both participating and nonparticipating physicians, and physicians practicing in rural and underserved urban areas. At least 11 members of the Council must be physicians as described in section 1861(r)(1) of the Act; that is, State-licensed doctors of medicine or osteopathy. The remaining 4 members may include dentists, podiatrists, optometrists, and chiropractors. Members serve for overlapping 4-year terms.

Section 1868(a)(2) of the Act provides that the Council meet quarterly to discuss certain proposed changes in regulations and manual issuances that relate to physicians' services, identified by the Secretary. Section 1868(a)(3) of the Act provides for payment of expenses and per diem for Council

members in the same manner as members of other advisory committees appointed by the Secretary. In addition to making these payments, the Department of Health and Human Services and CMS provide management and support services to the Council. The Secretary will appoint new members to the Council from among those candidates determined to have the expertise required to meet specific agency needs in a manner to ensure appropriate balance of the Council's membership.

The Council held its first meeting on May 11, 1992. The current members are: John E. Arradondo, M.D., MPH; Vincent J. Bufalino, M.D., Chairperson; Joseph A. Giaimo, D.O.; Pamela A. ### Administration for Children and Families

#### Submission for OMB Review; Comment Request

*Title:* Community-Based Abstinence Education Performance Progress Report.  
*OMB No.:* 0970-0272.

*Description:* The discretionary funding Community-Based Abstinence Education Program (CBAE) is authorized by Title XI, Section 1110, of the Social Security Act (using the definitions contained in Title V, Section 510(b)(2) of the Social Security Act).

#### Performance Progress Report/Program Narrative

The CBAE Performance Progress Report/Program Narrative is a semiannual report form through which grantees report performance information used by the Administration for Children and Families (ACF) to evaluate each grantee's compliance with Federal law and progress toward achieving its goals. Performance information includes: Description of major activities and accomplishments during the reporting period; Description of deviations or departures from the original project; Description of significant findings and events; Description of dissemination activities; Description of other activities; and Description of activities planned for the next reporting period, including goals and objectives.

### Program-Specific Performance Measure

The CBAE program is developing a program-specific performance measure in response to the PART review (a process by which the Office of Management and Budget analyzes and rates a Federal program's procedures and strategies for evaluating its effectiveness), for which the program received a rating of Adequate. In an effort to gather program-specific data on rates of abstinence pre- and post-program participation, ACF and the Office of Management and Budget determined that a program-specific performance measure should be developed to assess key outcomes among program participants. The CBAE office convened a panel of abstinence education experts to gather input on the measure, and, based on the input provided, the CBAE office is developing the measure. CBAE grantees will be required to ask ten to fifteen questions of the youth served in a pre- and post-survey, as well as a representative sample of the youth served in a post-post survey.

The questions are being carefully constructed by an experienced evaluator to measure initiation and discontinuation of sexual intercourse as well as two key predictors of initiation: Sexual values and behavioral intentions.

The program office will collect and compile data to establish baselines and ambitious targets for the program specific performance measure. The data will be aggregated and results will be shared with the public as they become available.

*Respondents:* Performance Progress Report/Program Narrative—Non-profit community-based organizations, faith based organizations, schools/school districts, universities/colleges, hospitals, public health agencies, local governments, Tribal councils, small businesses/for profit entities, housing authorities, etc.
