

Security Advisory Council. All other discipline areas including: Emergency Management, Emergency Response, State Elected Official, Local Elected Official, Disability, and the three positions selected by the FEMA Administrator.

Qualified individuals interested in serving on the NAC are invited to apply for appointment. All ethnicities and genders are encouraged to apply.

The NAC assists FEMA in carrying out its missions by providing advice and recommendations in the development and revision of the national preparedness guidelines, the national preparedness system, the National Incident Management System, the National Response Framework, and other related plans and strategies. The members of the NAC are appointed by the Administrator of FEMA and are composed of Federal, State, local, tribal, and private-sector leaders and subject matter experts in law enforcement, fire, emergency medical services, hospital, public works, emergency management, State and local governments, public health, emergency response, standard setting and accrediting organizations, representatives of individuals with disabilities and other special needs, infrastructure protection, cyber security, communications, and homeland security communities.

Qualified individuals interested in serving on the NAC are invited to apply for appointment by submitting a resume or Curriculum Vitae (CV) along with letters of recommendation to the NAC's Designated Federal Officer. Applicants should state for which discipline area or areas they are applying. Current NAC members whose terms are ending should notify the Designated Federal Officer of their interest in reappointment in lieu of submitting a new application, and should provide an updated resume or CV and letters of recommendation for consideration. The NAC meets in a plenary session approximately once per quarter. With respect to quarterly meetings, the NAC also holds at least one teleconference meeting with public call-in lines. Members serve without compensation from the Federal Government; however, consistent with the charter, they do receive travel reimbursement and per diem under applicable Federal travel regulations. In support of the policy of the Department of Homeland Security on gender and ethnic diversity, qualified women and minorities are encouraged to apply for membership.

Dated: January 29, 2009.

Nancy Ward,

Acting Administrator, Federal Emergency Management Agency.
