SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR part 1) relating to sections 304 and 1248 of the Code. The text of those regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. These regulations are necessary to ensure that the appropriate amount of income (dividend income, capital gain or both) is recognized currently in the transactions described in the explanation of provisions section in this preamble. Accordingly, good cause is found for dispensing with notice and public comment pursuant to 5 U.S.C. 553(b) and (c) and with a delayed effective date pursuant to 5 U.S.C. 553(d). For applicability of the Regulatory Flexibility Act, see the cross-referenced notice of proposed rulemaking published elsewhere in this **Federal Register**. Pursuant to section 7805(f) of the Code, these regulations have been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Comments are also requested regarding whether IRS and Treasury

Department should exercise the regulatory authority under section 304(b)(6) to permit an increase to the basis of the transferred stock in a section 304(a)(1) transaction to the extent the distribution in redemption of the shares deemed issued by the acquiring corporation is treated as a dividend from the earnings and profits of the issuing corporation.

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and Treasury Department specifically request comments on the clarity of the proposed rules and how they can be made easier to understand. All comments will be available for public inspection and copying. A public hearing will be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these proposed regulations is Sean W. Mullaney of the Office of Associate Chief Counsel (International). However, other personnel from the IRS and the Treasury Department participated in their development.
