Proposed Rule To Implement the 1997 8-Hour Ozone National Ambient Air Quality Standard: Revision on Subpart 1 Area Reclassification and Anti-Backsliding Provisions Under Former 1-Hour Ozone Standard; Proposed Deletion of Obsolete 1-Hour Ozone Standard Provision

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public hearing and extension of comment period.

SUMMARY: The EPA is announcing a public hearing to be held for the proposed rule "Proposed Rule to Implement the 1997 8-Hour Ozone National Ambient Air Quality Standard: Revision on Subpart 1 Area Reclassification and Anti-Backsliding Provisions Under Former 1-Hour Ozone Standard; Proposed Deletion of Obsolete 1-Hour Ozone Standard Provision" which published in the **Federal Register** on January 16, 2009. The hearing will be held in Washington, DC, on Monday, March 2, 2009.

EPA is also announcing an extension of the public comment period on our proposed rule. EPA is extending the comment period that originally ends on February 17, 2009. The extended comment period will close on April 1, 2009.

In this notice of proposed rulemaking, EPA proposed to revise the rule for implementing the 1997 8-hour ozone national ambient air quality standard (NAAQS) for several of the limited portions of the rule vacated by the U.S. Circuit Court of Appeals for the District of Columbia. The proposal addresses the classification system for the subset of initial 8-hour ozone nonattainment areas that the implementation rule originally covered under Clean Air Act (CAA) title I, part D, subpart 1. The proposal also addresses how 1-hour ozone contingency measures that apply for failure to attain or make reasonable progress toward attainment of the 1-hour standard should apply under the anti-backsliding provisions of the implementation rule. In addition, the proposal removes language relating to the vacated provisions of the rule that provided exemptions from the requirements of nonattainment new source review (NSR) and CAA section 185 penalty fees under the 1-hour standard. The public hearing will provide interested parties the opportunity to present data, views, or arguments concerning these proposed changes.

DATES: *Public Hearing.* The public hearing will be held on March 2, 2009.

Comments. Comments must be received on or before April 1, 2009.

ADDRESSES: *Public Hearing.* The hearing will be held at U.S. Environmental Protection Agency, EPA East, Room 1153, 1200 Pennsylvania Avenue, Washington, DC 20004. The public hearing will start at 10 a.m. and end at 3 p.m. Because this hearing is being held at U.S. government facilities, everyone planning to attend the hearing

should be prepared to show valid picture identification to the security staff in order to gain access to the meeting room. In addition, you will need to obtain a property pass for any personal belongings you bring with you. Upon leaving the building, you will be required to return this property pass to the security desk. No large signs will be allowed in the building, cameras may only be used inside the classroom and outside of the building and demonstrations will not be allowed on Federal property for security reasons.
