BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

Office of Justice Programs

[OMB Number 1121-0277]

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-Day Notice of Information Collection Under Review: Office for Victims of Crime Training and Technical Assistance Center (OVC TTAC) Needs Assessment Survey.

The Department of Justice, Office of Justice Programs, Office for Victims of Crime, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for 60 days until April 24, 2009. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments, especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Pamela Leupen, Director, Technical Assistance, Publications, and Information Resources, Office for Victims of Crime, Office of Justice Programs, Department of Justice, 810 7th Street, NW., Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency/component, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies'/components' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Revision of currently approved collection.

(2) *The Title of the Form/Collection:* OVC TTAC Needs Assessment Survey.

(3) *The Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number(s): NA. Office for Victims of Crime, Office of Justice Programs, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract. Primary:* State, Local or Tribal agencies/organizations. *Other:* Federal Government; individuals or households; not-for-profit institutions; businesses or other for-profit. *Abstract:* The Office for Victims of Crime Training and Technical Assistance Center (OVC TTAC) Needs Assessment Form is designed to collect the data necessary to continuously improve customer service intended to meet the needs of the victim services field. OVC TTAC will make this form available to individuals employed at agencies and programs providing services to victims of crime nationwide. The purpose of this data collection will be to identify gaps in training among victim services providers; methods for meeting the issues and challenges voiced by victim service providers; the context in which services are delivered and received; and emerging issues and trends within the victim service community. The data will then be used to advise OVC on ways to improve the support that it provides to the victim services field at-large.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* There are approximately 1,500 respondents who will require an average of 20-30 minutes to respond to a single form.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual public

burden hours for this information collection is estimated to be 675 hours.

Crosible, Inc. US Division Now Known as Clear Edge Filtration Moravia, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification Regarding Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on September 12, 2007, applicable to workers and former workers of Crosible, Inc., U.S. Division, Moravia, New York. The notice was published in the **Federal Register** on September 27, 2007 (72 FR 54939).

At the request of a Clear Edge Filtration official, the Department reviewed the certification for workers of the subject firm. Workers produce filters, made of fabric, used for air and water filtration systems.

New information shows that in January 2008, Clear Edge Filtration merged with Crosible, Inc., that the new company name is Clear Edge Filtration, and that the company has a new Federal Tax Identification Number.

The new information also shows that some of the workers' wages are being reported under the State of New York Unemployment Insurance tax account for Clear Edge Filtration.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Crosible, Inc., who were adversely

affected by a shift of filter production to Mexico.

The amended notice applicable to TA-W-62,067 is hereby issued as follows:

“All workers of Crosible, Inc., U.S. Division, now known as Clear Edge Filtration, Moravia, New York, who became totally or partially separated from employment on or after August 27, 2006, through September 12, 2009, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.”

Signed at Washington, DC, this 9th day of February 2009

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Qimonda 200MM Facility Including On-Site Leased Workers From Tokyo Electron America and Nikon Precision, Inc. Sandston, VA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on December 11, 2008, applicable to workers of Qimonda 200MM Facility, Sandston, Virginia. The notice was published in the **Federal Register** on December 30, 2008 (73 FR 79914).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of DRAM semiconductor wafers.

New information shows that workers leased from Tokyo Electron America and Nikon Precision, Inc. were employed on-site at the Sandston, Virginia location of Qimonda 200MM Facility. The Department has determined that these workers were sufficiently under the control of Qimonda 200MM Facility to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Tokyo Electron America and Nikon Precision, Inc. working on-site at the Sandston, Virginia location of the subject firm.

The intent of the Department's certification is to include all workers employed at Qimonda 200MM Facility, Sandston, Virginia who were adversely affected by a shift in production to a foreign country followed by increased imports of articles like or directly competitive with the DRAM semiconductor wafers produced by the subject firm.

The amended notice applicable to TA-W-64,401 is hereby issued as follows:

“All workers of Qimonda 200MM Facility, including on-site leased workers from Tokyo Electron America and Nikon Precision, Inc., Sandston, Virginia, who became totally or partially separated from employment on or after November 11, 2007 through December 11, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.”

Signed at Washington, DC, this 10th day of February 2009

Suez Energy Bio-Power, a Subsidiary of GDF Suez Energy North America, Formerly Known as Tractebel Power, Inc., Forest City, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification Regarding Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on December 16, 2008, applicable to workers of Suez Energy Bio-Power, a subsidiary of GDF Suez Energy North America, Forest City, North Carolina. The Department's Notice of determination was published

in the **Federal Register** on January 14, 2009 (74 FR 2136).

At the request of a firm official, the Department reviewed the certification for workers of the subject firm. Subject firm workers provided steam used in the production of knit fabrics by Hanesbrands, Inc., Forest City, North Carolina, a firm with a currently TAA-certified worker group.

New information shows that some of the workers' wages are being reported under the State of North Carolina Unemployment Insurance (UI) tax accounts for Tractebel Power, Inc.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports of articles like or directly competitive with the knit fabric produced by Hanesbrands, Inc., Forest City, North Carolina.

The amended notice applicable to TA-W-64,331 is hereby issued as follows:

“All workers of Suez Energy Bio-Power, a subsidiary of GDF Suez Energy North America, formerly known as Tractebel Power, Inc., Forest City, North Carolina, who became totally or partially separated from employment on or after October 30, 2007, through December 16, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.”
