AGENCY: National Assessment Governing Board.

ACTION: Agency Information Collection Activities: Submission for OMB Review; Comment Request.

SUMMARY: In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the National Assessment Governing Board is publishing the following summary of a proposed information collection for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the Agency's function; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; (4) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (5) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Type of Information Collection

Request: New information collection.

Title of Information Collection:

Survey of Placement Tests and Cut-Scores in Higher Education Institutions.

Use: The congressionally authorized National Assessment of Educational Progress (NAEP) reports to the public on the achievement of students at grades 4, 8, and 12 in core subjects. The National Assessment Governing Board oversees and sets policy for NAEP. NAEP and the Governing Board are authorized under the National Assessment of Educational Progress Authorization Act (Pub. L. 107-279).

Among the Board's responsibilities is "to improve the form, content, use, and reporting of [NAEP results]." Toward this end, the Governing Board plans to enable NAEP at the 12th grade to report on the academic preparedness of 12th grade students in reading and mathematics for entry level college credit coursework.

The Governing Board has planned a program of research studies to support the validity of statements about 12th grade student preparedness that would be made in NAEP reports, beginning with the 2009 assessments in 12th grade reading and mathematics. Among the studies planned is a survey of 2-year and 4-year institutions of higher education about the tests and test scores used to place students into entry level college credit coursework leading to a degree and into non-credit remedial or developmental programs in reading and/or mathematics. The data resulting from this survey will be used to help develop valid statements that can be made about the preparedness of 12th grade students in NAEP reports.

Frequency: One time only; *Affected*

Public: State, Local or Tribal Governments (2-year and 4-year public higher education institutions); Private Sector Not-For-Profit Institutions (2-year and 4-year private higher education institutions); *Number of Respondents:* 3,700; *Total Annual Responses:* 3,700; *Total Annual Hours:* 1,542.

To obtain copies of the proposed survey and/or supporting statement for the proposed paperwork collection referenced above, e-mail your request, including your address and phone number, to Ray.Fields@ed.gov or call 202-357-0395.

To be assured consideration, comments and recommendations for the proposed information collection must be received by the OMB desk officer at the address below, no later than 5 p.m. on March 25, 2009:

Rehabilitation Training: Rehabilitation Long-Term Training—Rehabilitation Counseling

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice reopening the Rehabilitation Long-Term Training—Rehabilitation Counseling fiscal year (FY) 2009 competition.

SUMMARY: On November 17, 2008, we published in the **Federal Register** (73 FR 67852) a notice inviting applications for the Rehabilitation Long-Term Training—Rehabilitation Counseling FY 2009 competition. That notice established a January 15, 2009 deadline date for eligible applicants to apply for funding under this program.

In order to allow applicants the opportunity to respond to a correction in the selection criteria published in the Application Package, we are reopening the Rehabilitation Long-Term Training—Rehabilitation Counseling FY 2009 competition to eligible applicants. Specifically, we inadvertently omitted a heading and the point value of the criterion on *Quality of Project Services*, worth 10 points. The requirements of this criterion were embedded at the end of the criterion on *Nature and Scope of Curriculum*, worth 20 points. By omitting the heading and points for the criterion on *Quality of Project Services*, applicants were given the mistaken impression that this criterion was part of the *Nature and Scope of Curriculum* criterion. We have corrected the selection criteria in the Application Package. This correction of the selection criteria increases the possible points an

applicant may receive from 90 points to 100 points and makes it clear that there is a criterion on *Quality of Project Services*, worth 10 points. We strongly recommend that any eligible applicant that submitted its application using the criteria in the original application package re-submit its application in order to ensure that there is a clear response to the criterion on *Quality of Project Services*. If an applicant that submitted its application by the January 15, 2009 deadline does not choose to re-submit its application to address separately the Nature and Scope of Curriculum and *Quality of Project Services* criteria, we will increase the point value of the co-joined criteria contained under the heading *Nature and Scope of Curriculum* from 20 to 30 points for that applicant and the selection criteria overall from 90 to 100 points. We will separate the applicant's response to the co-joined criteria under the heading of *Nature and Scope of Curriculum*, and each criteria will be rated separately with the total value of the *Nature and Scope of Curriculum* criteria being 20 points and the *Quality of Project Services* criteria being 10 points.

All information in the November 17, 2008 notice remains the same for this notice reopening the competition, except for the following updates to *Dates* and to section IV. 3. *Submission Dates and Times*.

Dates and section IV. 3. Submission Dates and Times:
