**SUPPLEMENTARY INFORMATION:** We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary to properly perform our functions.

- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

### Abstract of Proposed Collection

This information collection covers pre-award and post-award requirements of the DOSAR. During the pre-award phase, information is collected to determine which bids or proposals offer the best value to the U.S. Government. Post-award actions include monitoring the contractor's performance; issuing modifications to contracts; dealing with unsatisfactory performance; issuing payments to the contractor; and closing out the contract upon its completion.

### Methodology

Information is collected from prospective offerors to evaluate their proposals. The responses provided by the public are part of the offeror's proposals in response to Department solicitations. This information may be submitted electronically (through fax or

e-mail), or may require a paper submission, depending upon complexity. After contract award, contractors are required to submit information, on an as-needed basis, and relate to the occurrence of specific circumstances.

Dated: February 12, 2009.

**Corey M. Rindner,**

*Procurement Executive, Bureau of Administration, Department of State.*
