c. *Date Filed:* December 4, 2008.

d. *Applicant:* Upper Yampa Water Conservancy District.

e. *Name of Project:* Stagecoach Project.

f. *Location:* The project is located on the Yampa River, in Routt County, Colorado.

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791a-825r.

h. *Applicant Contact:* Mr. Kevin McBride, Director, Upper Yampa Water Conservancy District, P.O. Box 880339, Steamboat Springs, CO 80488-0339, (970) 879-2424.

j. *Deadline for filing comments, protests, motions to intervene,*

recommendations, preliminary terms and conditions, and fishway prescriptions is due 60 days from the issuance date of this notice; reply comments are due 105 days from the issuance date of this notice. All documents (original and eight copies) should be filed with: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Please include the project number (P-9202-150) on any comments or motions filed.

The Commission’s Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request:* The Upper Yampa Water Conservancy District requests Commission approval to amend the project’s existing license issued by the Federal Energy Regulatory Commission (FERC) to raise the storage level of Stagecoach Reservoir by 4 feet. This proposal will increase the spillway crest elevation, thereby enlarging the project’s reservoir storage capacity from 33,275 to 36,460 Ac-ft and increasing the project’s potential for increasing downstream water supply. The physical composition of most of the Stagecoach Project developments (e.g., the powerhouse, turbines and generators, transmission and substation, and other mechanical, electrical, and transmission equipment) will not be impacted. However, the project spillway and reservoir will be altered by the proposal.

In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission’s Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application. Comments, protests, interventions, recommendations, terms and conditions, and fishway prescriptions may be filed electronically via the Internet in lieu of paper; See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s web site under “e-filing” link. [Project No. 2157-167]

Public Utility District No. 1 of Snohomish County, Washington City of Everett, WA; Notice Dismissing Motion To Intervene

February 17, 2009.

On December 1, 2005, in Project No. 2157-167, Public Utility District No. 1 of Snohomish County, Washington (Snohomish PUD) and the City of Everett (Everett) filed a Notice of Intent to File a License Application and a Pre-Application Document (PAD) under the Commission's integrated licensing process (ILP) for the Henry M. Jackson Project. On February 6, 2009,

Snohomish County filed a motion to intervene in this proceeding.

Pursuant to Rule 214(a)(3) of the Commission's Rules of Practice and Procedure, any person may seek to intervene and become a party in a proceeding by filing a motion to intervene that complies with the content requirements of Rule 214(b).¹ However, a motion to intervene in the ILP at the pre-application stage is not appropriate. Because Snohomish PUD and Everett have not yet filed a license application, there is no proceeding in which to intervene, and consequently the motion to intervene in Project No. 2157-167 is dismissed as premature. Should Snohomish PUD and Everett file a license application, the Commission will then provide an opportunity for intervention.²

This notice constitutes final agency action. Requests for rehearing of this notice may be filed within 30 days of the date of issuance of this notice, pursuant to Rule 713 of the

Commission's Rules of Practice and Procedure.³
